

What is Adolescence?

Adolescence is the transitional phase between childhood and adulthood, typically characterized by physical, psychological, and social changes. It usually begins with the onset of puberty and extends into the late teens or early twenties.

During this period, individuals undergo significant growth and development, both physically and emotionally, as they navigate issues such as identity formation, peer relationships, and autonomy.

Adolescence is a critical stage in human development, shaping future behaviors, beliefs, and relationships, and often involves challenges and opportunities for personal growth and exploration.
