The Age Of Constantine The Great By Burckhardt Jacob:

The Age of Constantine the Great (1949) Jacob Burckhardt, 2018-12-14 Republished in 1949 Jacob Burckhardt's brilliant study first published in Germany in 1852 has survived all its critics and presents today perhaps a more intelligible and a more valid picture of events their nexus and their relevance than any later study This English version is apt to the moment No epoch of remote history can be so relevant to modern interests as the period of transition between the ancient and the medieval world when a familiar order of things visibly died and was supplanted by a new Other transitions become apparent only in retrospect that of the age of Constantine like our own was patent to contemporaries Old institutions in the sphere of culture as of government had grown senile economic balances were altered peoples hitherto on the peripheries of civilization demanded attention and a new and revolutionary social doctrine with an enormous emotional appeal was spread abroad by men with a religious zeal for a new and authoritarian cosmopolitanism and with a religious certainty that their end justified their means For us contemporary developments have made the analogy inescapable but Jacob Burckhardt's insight led him to a singularly clear apprehension of the meaning of the transition almost a century ago and the analogy implicit in his book is the more impressive as it was unpremeditated

The Age of Constantine the Great Jacob Burckhardt, 1983
History as Mystery Michael Parenti, 2016-08-22 In a lively challenge to mainstream history Michael Parenti does battle with a number of mass marketed historical myths He shows how history's victors distort and suppress the documentary record in order to perpetuate their power and privilege And he demonstrates how historians are influenced by the professional and class environment in which they work Pursuing themes ranging from antiquity to modern times from the Inquisition and Joan of Arc to the anti labor bias of present day history books *History as Mystery* demonstrates how past and present can inform each other and how history can be a truly exciting and engaging subject Michael Parenti always provocative and eloquent gives us a lively as well as valuable critique of orthodoxy posing as history Howard Zinn author of *A People's History of the United States* Deserves to become an instant classic Bertell Ollman author of *Dialectical Investigations* Those who keep secret the past and lie about it condemn us to repeat it Michael Parenti unveils the history of falsified history from the early Christian church to the present a fascinating darkly revelatory tale Daniel Ellsberg author of *The Pentagon Papers* Solid if surely controversial stuff Kirkus

The Ancient World Frank N. Magill, 2003-12-16
Containing 250 entries each volume of the *Dictionary of World Biography* contains examines the lives of the individuals who shaped their times and left their mark on world history Much more than a *Who's Who* each entry provides an in depth essay on the life and career of the individual concerned Essays commence with a quick reference section that provides basic facts on the individual's life and achievements and conclude with a fully annotated bibliography The extended biography places the life and works of the individual within an historical context and the summary at the end of each essay provides a synopsis of the individual's place in history Any student in the field will want to have one of these as a handy reference companion

The Emperor Constantine Hans A. Pohlsander, 2004 First Published in 2004 Routledge is an imprint of Taylor Francis an informa company *The Making of a Christian Empire* Elizabeth DePalma Digeser, 2000 The Making of a Christian Empire is the first full length book to interpret the Divine Institutes as a historical source Exploring Lactantius s use of theology philosophy and rhetorical techniques Digeser perceives the Divine Institutes as a sophisticated proposal for a monotheistic state that intimately connected the religious policies of Diocletian and Constantine both of whom used religion to fortify and unite the Roman Empire BOOK JACKET **Vipers of New Rome** Max Fram, 2018-07-09 This is an unconventional non fiction story of the somewhat stereotypical evil empresses of Constantinople Eirene Theophano and Zoe presented in the historical context of the successively emerging flourishing and declining Byzantine Empire This is a thrilling tale of three ambitious women and at the same time a dark story of three highly controversial individuals who may have loved their husbands and children but intrigued betrayed poisoned maimed and killed for power This is also the story of the imperial court and the Great Palace of New Rome Constantinople medieval Europe s greatest metropolis and its people This is a study of Byzantine society and its dominant power players the imperial family the arrogant military the fractious clergy and the ever conspiring eunuch bureaucracy More than anything this book is about people who lived and breathed in early medieval times Eusebius Aaron P. Johnson, 2013-12-17 Eusebius of Caesarea 263 339 CE is one of the most important intellectuals whose writings survive from late antiquity His texts made lasting and wide ranging contributions from history writing and apologetics to biblical commentary and Christian oratory He was a master of many of the literary and scholarly traditions of the Greek heritage Yet he left none of these traditions unaltered as he made brilliant and original experiments in the many genres he explored Aaron P Johnson offers a lively introduction to Eusebius chief oeuvre while also discussing recent scholarship on this foundational early Christian writer Placing Eusebius in the context of his age the author provides a full account his life including the period when Eusebius controversially sought to assist the heretic Arius He then discusses the major writings apologetic treatises the pedagogical and exegetical works the historical texts the anti Marcellan theological discourses and expositions directly connected to the Emperor Constantine *Great Events in Religion* Florin Curta, Andrew Holt, 2016-11-28 This three volume set presents fundamental information about the most important events in world religious history as well as substantive discussions of their significance and impact This work offers readers a broad and thorough look at the greatest events in world religious history covering a wide range of religions time periods and areas around the globe The entries present authoritative information and informed viewpoints written by expert contributors that enable readers to easily learn about the chief events in religious history help them to better understand the course of world history and promote a greater respect for culturally diverse religious traditions The first of the three volumes covers religion from the preliterate world through around AD 600 the second the post classical era from 600 to 1450 and the third the modern era from 1450 to the present Each volume begins with a substantive introduction that discusses the history of world

religions during the period covered by the volume The chronologically ordered entries overview each event place it in historical context and identify the reasons for its enduring significance Basileus Weston Barnes,2019-02-25 This is a book on emperors of Byzantine Empire in Christian Greek dominion that ruled Late Antique and Medieval East Europe from 330 to 1453 CE as the inherited Roman state that fell in Western Rome in 476 CE From the golden renowned Queen of Cities Constantinople city of Constantine holy men travelers pilgrims merchants ambassadors and many other people from all walks of life filled its streets Finally there was the emperor the master of this city and an empire once stretching from the Black Sea to Spain until its fall to the powerful Turks in the fifteenth century In a line of Basilioi triumph tragedy trust and betrayal were lifelong dramas for the men and women in the purple sitting on the palace throne
