

The Aged In Rural America

Nina Glasgow, E. Helen Berry

The Aged In Rural America:

The Aged in Rural America John Krout, 1986-03-18 *The aged in Rural America* Older Rural Americans E. Grant Youmans, 2014-07-15 Most social studies of older people in the United States have focused upon problems and conditions encountered in urban centers In *Older Rural Americans* sixteen social scientists representing various regions examine in depth the circumstances of older people in rural America The authors first consider older people in the contexts of work the family and the community discussing their social outlook their place in these contexts and the profound changes they face as they move away from an active part in these areas of life Later chapters analyze the distribution of the rural aged population and their economic housing and health status Of particular interest are essays treating the place and condition of older rural people in three major subcultures of the United States the American Indian the Spanish speaking people of the Southwest and African Americans Finally the authors trace the development of local state and federal programs designed to assist the aged The authors argue that an understanding of rural life some sixty years ago is of the utmost importance for it is the values of that time that have largely formed the attitudes and outlooks of today's rural aged The Elderly in Rural Society Raymond T. Coward, Gary R. Lee, 1985 **Rural Aging in 21st Century America** Nina Glasgow, E. Helen Berry, 2012-12-14 This book investigates sociological demographic and geographic aspects of aging in rural and nonmetropolitan areas of the United States Population aging is one of the most important trends of the 20th and 21st centuries and it is occurring worldwide especially in more developed countries such as the United States Population aging is more rapid in rural than urban areas of the U S In 2010 15 percent of the nonmetropolitan compared to 12 percent of the metropolitan population were 65 years of age and older By definition rural communities have smaller sized populations and more limited healthcare transportation and other aging relevant services than do urban areas It is thus especially important to study and understand aging in rural environments *Rural Aging in 21st Century America* contributes evidence based policy relevant information on rural aging in the U S A primary objective of the book is to improve understanding of what makes the experience of rural aging different from aging in urban areas and to increase understanding of the aged change the nature of rural places The book addresses unique features of rural aging across economic racial ethnic migration and other structures and patterns all with a focus on debunking myths about rural aging and to emphasize opportunities and challenges that rural places and older people experience *Someone to Lend a Helping Hand* Dena Shenk, 1998 This timely and topical book examines the expectations beliefs and values of thirty rural Minnesota women as they grow old in rural America They explore cultural familial and personal issues that continue to be important to them as they age *Rural America's Elderly* John Kane, 1990 **Rural America**, 2002 *Health Programs and Services for Elders in Rural America* Raymond T. Coward, 1991 **Gerontological Social Work in Small Towns and Rural Communities** Lenard W Kaye, Sandra Butler, 2012-10-12 Learn the skills you need to work with geriatric populations in rural areas *Gerontological Social Work in Rural Towns and*

Communities provides a range of intervention and community skills aimed precisely at the needs of rural elders This book fills a gap in the literature by focusing on the specific practice concerns for social workers assisting older adults in rural areas including the aging experience social worker skills professional functions working with special populations and health and long term care concerns This valuable resource will benefit social workers gerontologists allied health professionals in rural areas health and human services administrators and managers Gerontological Social Work in Rural Towns and Communities explores the challenges social workers need to overcome when working with the elder community in rural areas This book s significance to social workers will only increase as more adults choose to live and grow old away from the cities Experts in the field suggest strategies to overcome barriers in planning and providing services such as a longer distance for the elderly to travel to use social service centers a narrower range of available services in the local area increased poverty levels for the elderly a stronger dependency by elderly on family rather than public assistance This book is divided into five sections Rurality and Aging introduces the concept of rurality and examines the demographics of aging from a rural perspective Practice Dimensions of Social Work with Rural Elders includes clinical practice models intervention and advocacy techniques program planning and marketing approaches Special Populations gives attention to four special population groups indigenous elders African American older adults elderly Latinos and disabled elders Special Issues Pertaining to Rural Elders covers five essential issues for rural gerontological social workers health promotion older workers and retirement preparation aging in place specialized housing and ethical practice Training and Policy Recommendations future training and education recommendations for social workers are explored as well as service capacity building the aging network and the future of long term care While a variety of theoretical perspectives are explored in Gerontological Social Work in Rural Towns and Communities the book s empowerment orientation and strengths based approach will enhance your abilities to improve quality of life for elderly individuals in rural communities Each chapter contains a comprehensive review of the literature on the subject it addresses and several chapters include tables and graphs to further establish their revealing empirical findings An appendix provides additional sources to turn to for more information **Rural America's Elderly**
Patricia La Caille John, 1992
