Various Authors, 1998-03-01 In this issue of *The Ministry* we continue the series of messages on the present practice in God's economy. These messages given at a crucial time in the Lord's recovery unveil the practice of the new way which the Lord gave to the churches through Brother Lee's ministry and practical leading. In the message which we include here Brother Lee emphasizes our need to carry out the begetting, nourishing and teaching in the meetings in the believers' homes. To carry out the new way we must no longer build up the big meetings of the church which have the clergy-laity system as their root. This truly involves a spiritual warfare so we must struggle every step of the way especially in prayer to participate in the fighting service in God's economy. The subsequent six messages are from the second half of the Living Stream Ministry's Summer Training of 1997 entitled *The Crucial Contents of God's New Testament Ministry*. This training which followed immediately after our brother's departure was a thorough review of the contents of the New Testament ministry which he brought to us over many years. On the occasion of Brother Lee's departure we can consider all that the Lord has unveiled to us, all the truths which were recovered for us through our brother's faithful ministry to bring us into the Lord's recovery and into the experience of Christ and the reality of the Body of Christ for God's eternal economy to consummate the New Jerusalem. The local churches raised up under this ministry will speak these things, teach these things, write these things and live these things until we meet the Lord. Last we include an encouraging report on the spread of the ministry through the marketing of our publications in Christian bookstores. We also report on the work to produce the Recovery Version of the New Testament in the Russian language which is now in its fifth and final year. A letter from the co-workers in the former Soviet Union brings us up to date on the Lord's move there in the first training for the responsible brothers and the recent winter training held in Moscow and letters from Berlin, Germany report on the progress in publishing and distributing books by Watchman Nee in the German language.
