Gary Younge, 2011-06-28 From those who insist that Barack Obama is Muslim to the European legislators who go to extraordinary lengths to ban items of clothing worn by a tiny percentage of their populations Gary Younge shows in this fascinating witty and provocative examination of the enduring legacy and obsession with identity in politics and everyday life that how we define ourselves informs every aspect of our social political and personal lives Younge a black British male of Caribbean descent living in Brooklyn New York who speaks fluent Russian and French travels the planet in search of answers to why identity is so combustible From Tiger Woods s legacy to the scandal over Danish cartoons of the Prophet Mohammed he finds that identity is inescapable but solidarity may not be as elusive as we fear We are more alike than we are unlike But the way we are unlike matters To be male in Saudi Arabia Jewish in Israel or white in Europe confers certain powers and privileges that those with other identities do not have In other words identity can represent a material fact in itself As Gary Younge demonstrates in this classic book now featuring a new introduction how we define ourselves affects every part of our lives from violence on the streets to international terrorism from changes in our laws to whom we elect from our personal safety to military occupations Moving between fascinating memoir and searing analysis from beauty contests in Ireland to the personal views of Tiger Woods from the author s own terrifying student days in Paris to how race and gender affect one s voting choices Gary Younge makes surprising and enlightening connections and a devastating critique of the way our society really works **ALLAH, LIBERTY AND LOVE** Irshad Manji, 2012-12-11 Irshad Manji s message of moral courage with stories about contemporary reformers such as Martin Luther King Jr Gandhi and Islam s own Gandhi inspire and show the way to practicing faith without fear Irshad addresses all people Muslim and non Muslim alike in this universal message about the importance of independent thought and internal strength of love liberty free speech and the pursuit of happiness Allah

show struggling Muslims how to embrace a third option reforming ourselves And she recounts many affecting stories from young people who have contacted her for advice on how to step out of limiting views of Islam and the restrictions they put on life love family and careers

Black Like You John Strausbaugh, 2007-08-16 A refreshingly clearheaded and taboo breaking look at race relations reveals that American culture is neither Black nor White nor Other but a mix a mongrel Black Like You is an erudite and entertaining exploration of race relations in American popular culture Particularly compelling is Strausbaugh's eagerness to tackle blackface a strange often scandalous and now taboo entertainment Although blackface performance came to be denounced as purely racist mockery and shamefacedly erased from most modern accounts of American cultural history Black Like You shows that the impact of blackface on American culture was deep and long lasting Its influence can be seen in rock and hip-hop in vaudeville Broadway and gay drag performances in Mark Twain and gangsta lit in the earliest filmstrips and the 2004 movie White Chicks on radio and television in advertising and product marketing and even in the way Americans speak Strausbaugh enlivens themes that are rarely discussed in public let alone with such candor and vision American culture neither conforms to knee jerk racism nor to knee jerk political correctness It is neither Black nor White nor Other but a mix a mongrel No history is best forgotten however uncomfortable it may be to remember The power of blackface to engender mortification and rage in Americans to this day is reason enough to examine what it tells us about our culture and ourselves Blackface is still alive Its impact and descendants including Black performers in whiteface can be seen all around us today

Sellout Randall Kennedy, 2008-01-08 An incisive and unflinching study from the national bestselling author of Say it Loud that tackles a stigma of America's racial discourse selling out Brisk and enjoyable no small feat given the density of its ideas Los Angeles Times Randall Kennedy explains the origins of the concept of selling out and shows how fear of this label has haunted prominent members of the black community including most recently Colin Powell Condoleezza Rice and Barack Obama Sellout also contains a rigorously fair case study of America's quintessential racial sellout Supreme Court Justice Clarence Thomas In the book's final section Kennedy recounts how he himself has dealt with accusations of being a sellout

Allah, liberté et amour Irshad Manji, 2012-05-30 Dans Allah liberté et amour Irshad Manji invite musulmans et non musulmans transcender leurs peurs qui les empêchent de vivre un rapport honnête et intime avec Dieu la peur d'offenser l'Autre dans un monde multiculturel ou de remettre sa propre communauté en question Depuis la parution de son best seller Musulmane mais libre Irshad Manji est passée de la colonne au combat Elle nous montre comment chacun peut concilier sa croyance et l'autonomie et découvrir ainsi le Allah de la liberté et de l'amour Irshad Manji tire profit de son expérience pour partager avec le lecteur des histoires parfois mouvantes souvent drôles toujours révélatrices de la confusion morale de notre temps Qu'est-ce qui empêche les jeunes Musulmans même en Occident d'exprimer leur soif d'une interprétation religieuse Pourquoi un non musulman craint-il de soutenir ouvertement les voix libérales au sein de l'Islam Comment en est-on arrivé à tolérer des coutumes intolérables tels que

les crimes d'honneur Comment les croyants peuvent-ils rejeter le dogme tout en gardant la foi Et surtout comment chacun d'entre nous peut-il amorcer un voyage personnel vers le courage moral afin de concilier la foi et la liberté Allah liberté et amour est le guide suivre pour devenir un citoyen du monde courageux et audacieux Car Irshad Manji a une foi profonde non seulement en Allah mais aussi en l'être humain
