Donald W. Dayton

The American Evangelicals 1800 19:

The Variety of American Evangelicalism Donald W. Dayton, 2002-05 Those labeled as evangelicals commonly are assumed to constitute a large and fairly homogeneous segment of American Protestantism This volume suggests that in fact evangelicalism is better understood as a set of distinct subtraditions each with its own history organizations and priorities The differences among groups are so important that the question arises Is the term evangelical useful at all This book attempts to enter as sympathetically as possible into the self understandings of movements usually grouped under the evangelical umbrella For each of twelve major traditions a leading scholarly interpreter first articulates the group's theological orientation and then explores the relationship between that movement and broader evangelical issues and organizations Contributors develop remarkably useful and diverse conceptual strategies for charting the complex evangelical landscape In crisp summary chapters the editors draw differing conclusions from the many perspectives offered Donald Dayton wants to abandon the category evangelical altogether Robert Johnston sees the varied traditions as an extended family whose members embody common characteristics to greater or lesser degrees **American Evangelicalism** Darren Dochuk, Thomas S. Kidd, Kurt W. Peterson, 2014-10-15 No living scholar has shaped the study of American religious history more profoundly than George M Marsden His work spans U S intellectual cultural and religious history from the seventeenth through the twenty first centuries This collection of essays uses the career of George M Marsden and the remarkable breadth of his scholarship to measure current trends in the historical study of American evangelical Protestantism and to encourage fresh scholarly investigation of this faith tradition as it has developed between the eighteenth century and the present Moving through five sections each centered around one of Marsden's major books and the time period it represents the volume explores different methodologies and approaches to the history of evangelicalism and American religion Besides assessing Marsden's illustrious works on their own terms this collection's contributors isolate several key themes as deserving of fresh rigorous and extensive examination Through their close investigation of these particular themes they expand the range of characters and communities issues and ideas and contingencies that can and should be accounted for in our historical texts Marsden's timeless scholarship thus serves as a launchpad for new directions in our rendering of the American religious past *A Legacy of Preaching: Two-Volume Set--Apostles to the Present Day* Zondervan, 2018-12-11 *A Legacy of Preaching Two Volume Set Apostles to the Present Day* explores the history and development of preaching through a biographical and theological examination of its most important preachers Instead of teaching the history of preaching from the perspective of movements and eras each contributor tells the story of a particular preacher in history allowing these preachers from the past to come alive and instruct us through their lives theologies and methods of preaching Each chapter introduces readers to a key figure in the history of preaching followed by an analysis of the theological views that shaped their preaching their methodology of sermon preparation and delivery and an appraisal of the significant contributions they

have made to the history of preaching This diverse collection of familiar and lesser known individuals provides a detailed and fascinating look at what it has meant to communicate the gospel over the past two thousand years By looking at how the gospel has been communicated over time and across different cultures pastors scholars and homiletics students can enrich their own understanding and practice of preaching for application today Volume One covers the period from the apostles to the Puritans and profiles thirty preachers including Origen of Alexandria by Stephen O Presley John Chrysostom by Paul A Hartog Augustine of Hippo by Edward L Smither Gregory the Great by W Brian Shelton Bernard of Clairvaux by Elizabeth Hoare Francis of Assisi by Timothy D Holder Saint Bonaventure by G R Evans Meister Eckhart by Daniel Farca John Huss by Mark A Howell Martin Luther by Robert Kolb John Calvin by Anthony N S Lane Jonathan Edwards by Gerald R McDermott John Wesley by Michael Pasquarello III George Whitefield by Bill Curtis and Timothy McKnight and many more Volume Two covers the period from the Enlightenment to the present day and profiles thirty one preachers including Catherine Booth by Roger J Green Charles Haddon Spurgeon by Thomas J Nettles Henry Ward Beecher by Michael Duduit John Albert Broadus by Hershael W York D L Moody by Gregg L Quiggle Billy Sunday by Kristopher K Barnett Karl Barth by William H Willimon Dietrich Bonhoeffer by Keith W Clements D Martyn Lloyd Jones by Carl Trueman John Stott by Greg R Scharf Harry Emerson Fosdick by Dwayne Milioni Aimee Semple McPherson by Aaron Friesen Gardner C Taylor by Alfonza W Fulwood and Robert Smith Jr Billy Graham by John N Akers Martin Luther King Jr by Alfonza W Fulwood Dennis R McDonald and Anil Sook Deo J I Packer by Leland Ryken and Benjamin Hernandez and many more

The Oxford Handbook of Church and State in the United States Derek Davis, 2010-11-18 21 essays present a scholarly look at the intricacies and past and current debates that frame the American system of church and state within 5 main areas history politics sociology theology philosophy and law

Evangelicalism Richard Kyle, 2017-09-20 Most forms of religion are best understood in the context of their relationship with the surrounding culture This may be particularly true in the United States Certainly immigrant Catholicism became Americanized mainstream Protestantism accommodated itself to the modern world and Reform Judaism is at home in American society In *Evangelicalism* Richard Kyle explores paradoxical adjustments and transformations in the relationship between conservative Protestant Evangelicalism and contemporary American culture Evangelicals have resisted many aspects of the modern world but Kyle focuses on what he considers their romance with popular culture Kyle sees this as an Americanized Christianity rather than a Christian America but the two are so intertwined that it is difficult to discern the difference between them Instead in what has become a vicious self serving cycle Evangelicals have baptized and sanctified secular culture in order to be considered culturally relevant thus increasing their numbers and success within abundantly populous and populist driven American society In doing so Evangelicalism has become a middle class movement one that dominates America's culture and unabashedly populist Many Evangelicals view America as God's chosen nation thus sanctifying American culture consumerism and middle class values Kyle believes Evangelicals have served themselves well in

consciously and deliberately adjusting their faith to popular culture Yet he also thinks Evangelicals may have compromised themselves and their future in the process so heavily borrowing from the popular culture that in many respects the Evangelical subculture has become secularism with a light gilding of Christianity If so he asks can Evangelicalism survive its own popularity and reaffirm its religious origins or will it assimilate and be absorbed into what was once known as the Great American Melting Pot of religions and cultures Will the Gospel of the American dream ultimately engulf and destroy the Gospel of Evangelical success in America This thoughtful and thought provoking volume will interest anyone concerned with the modern day success of the Evangelical movement in America and the aspirations and fate of its faithful *From Revivals to Removal* John A. Andrew, III, 2007-11-01 Between the end of the Revolutionary War in 1781 and Andrew Jackson's retirement from the presidency in 1837 a generation of Americans acted out a great debate over the nature of the national character and the future political economic and religious course of the country Jeremiah Evarts 1781 1831 and many others saw the debate as a battle over the soul of America Alarmed and disturbed by the brashness of Jacksonian democracy they feared that the still young ideal of a stable cohesive deeply principled republic was under attack by the forces of individualism liberal capitalism expansionism and a zealous blend of virtue and religiosity A missionary reformer and activist Jeremiah Evarts 1781 1831 was a central figure of neo Calvinism in the early American republic An intellectual and spiritual heir to the founding fathers and a forebear of American Victorianism Evarts is best remembered today as the stalwart opponent of Andrew Jackson's Indian policies specifically the removal of Cherokees from the Southeast John A Andrew's study of Evarts is the most comprehensive ever written Based predominantly on readings of Evart's personal and family papers religious periodicals records of missionary and benevolent organizations and government documents related to Indian affairs it is also a portrait of the society that shaped and was shaped by Evart's beliefs and principles Evarts failed to tame the powerful forces of change at work in the early republic Evarts did manage to shape broad responses to many of them Perhaps the truest measure of his influence is that his dream of a government based on Christian principles became a rallying cry for another generation and another cause abolitionism **Dwight L. Moody** James F. Findlay, 2007-09-01 No one can claim to understand the American social and religious mind of the last half of the nineteenth century who does not understand sympathetically what evangelist Dwight L Moody and his career represented Moody was an entrepreneur a self made man a living expression of much that was hearty and some of what was crass about religion in his day This is the first biography to place him fully within the context of the broad social theological and cultural developments of his time Most of the existing biographical literature about Moody is either simplistically eulogistic or sarcastically hostile These polar views reflect the split that occurred within the Protestant church between fundamentalists and modernists during and after Moody's career It is with an objective overview of these divergencies that the author has prepared his biography Mr Findlay demonstrates how Moody's outlook evolved from the small town framework of early nineteenth century New England and

developed into the mainstream of American evangelicalism In the rising cities of Boston and Chicago he concentrated his efforts to urbanize revivalism as part of a general struggle to adapt a traditional faith to a rapidly changing external environment After his triumphant revival crusades of the 1870s the impact of his style and message faded before the progressive liberal approach to religion that was to shape twentieth century Protestantism The present biography of this great evangelist is far superior to any other both for its scholarly approach in determining the place of evangelicalism in American social and religious history and for its portrayal of the overpowering impact of Moody's personality It will be particularly fascinating to those interested in American social history and the history of evangelism the man and the movement *The Evangelical Guardian and Review*, 1817

Southern Shepherds, Savage Wolves Otis Westbrook Pickett Sr., 2025-10-23 Presbyterian Church missionaries and the theology of race enslavement and Native American removal In *Southern Shepherds Savage Wolves* Otis Westbrook Pickett Sr examines Presbyterian missionaries attempts to live up to their understood calling from their God to serve as shepherds for their congregations These missionaries Pickett finds faltered in this duty when faced with the racial hierarchy of an enslaved society He focuses on individual missionaries most prominently John Lafayette Girardeau and T C Stuart who attempted to integrate enslaved and later freed men and women into the church By examining these missionaries and mission churches Pickett sheds new light not only on the complicated role that religion played in shaping slavery and Native American removal in the US South but also the fate of these ideas in the crucible of the Civil War and its aftermath

Conflicted Mission Linda M. Clemmons, 2014 From the mid 1830s to the 1860s the missionaries sent to Minnesota by the American Board of Commissioners for Foreign Missions ABCFM wrote thousands of letters to their supervisors and supporters claiming success in converting the Dakota people But author Linda M Clemmons reveals that the reality of the situation was far more conflicted than what those written records would suggest In fact in the rough Minnesota territory missionaries often found themselves looking to the Dakota for support The missionaries and their wives struggled to define what it meant to convert and civilize Dakota people And although many scholars depict missionaries as working hand in hand with the federal government Clemmons reveals discord over the Dakota people's treatment especially after the U S Dakota War of 1862 when many missionaries spoke out against exile The missionaries found that work with the Dakota was rarely as heroic romantic or successful as what they read about in the evangelical press but at the same time they themselves painted a rosier picture of their own work

The book delves into The American Evangelicals 1800 19. The American Evangelicals 1800 19 is a crucial topic that needs to be grasped by everyone, ranging from students and scholars to the general public. This book will furnish comprehensive and in-depth insights into The American Evangelicals 1800 19, encompassing both the fundamentals and more intricate discussions.

1. This book is structured into several chapters, namely:

- Chapter 1: Introduction to The American Evangelicals 1800 19
- Chapter 2: Essential Elements of The American Evangelicals 1800 19
- Chapter 3: The American Evangelicals 1800 19 in Everyday Life
- Chapter 4: The American Evangelicals 1800 19 in Specific Contexts
- Chapter 5: Conclusion

2. In chapter 1, the author will provide an overview of The American Evangelicals 1800 19. This chapter will explore what The American Evangelicals 1800 19 is, why The American Evangelicals 1800 19 is vital, and how to effectively learn about The American Evangelicals 1800 19.

3. In chapter 2, the author will delve into the foundational concepts of The American Evangelicals 1800 19. The second chapter will elucidate the essential principles that need to be understood to grasp The American Evangelicals 1800 19 in its entirety.

4. In chapter 3, this book will examine the practical applications of The American Evangelicals 1800 19 in daily life. The third chapter will showcase real-world examples of how The American Evangelicals 1800 19 can be effectively utilized in everyday scenarios.

5. In chapter 4, the author will scrutinize the relevance of The American Evangelicals 1800 19 in specific contexts. The fourth chapter will explore how The American Evangelicals 1800 19 is applied in specialized fields, such as education, business, and technology.

6. In chapter 5, this book will draw a conclusion about The American Evangelicals 1800 19. This chapter will summarize the key points that have been discussed throughout the book.

The book is crafted in an easy-to-understand language and is complemented by engaging illustrations. This book is highly recommended for anyone seeking to gain a comprehensive understanding of The American Evangelicals 1800 19.
