Memory, Trauma, and Identity Ron Eyerman, 2019-04-09 This volume brings together Ron Eyerman's most important interventions in the field of cultural trauma and offers an accessible entry point into the origins and development of this theory and a framework of an analysis that has now achieved the status of a research paradigm This collection of disparate essays published between 2004 and 2018 coheres around an original introduction that not only provides a historical overview of cultural trauma but is also an important theoretical contribution to cultural trauma and collective identity in its own right The Afterword from esteemed sociologist Eric Woods connects the essays and explores their significance for the broader fields of sociology behavioral science and trauma studies *The Vietnam Reader* Stewart O'Nan, 2011-03-23 The Vietnam Reader is a selection of the finest and best known art from the American war in Vietnam including fiction nonfiction poetry drama film still photos and popular song lyrics All the strongest work is here from mainstream bestsellers to radical poetry from Tim O'Brien to Marvin Gaye Also included are incisive reader's questions useful for educators and book clubs in a volume that makes an essential contribution to a wider understanding of the Vietnam War This authoritative and accessible volume is sure to become a classic reference as well as indispensable and provocative reading for anyone who wants to know more about the war that changed the face of late twentieth century America From the Trade Paperback edition **Carnage and Culture** Victor Davis Hanson, 2002-08-27 Examining nine landmark battles from ancient to modern times from Salamis where outnumbered Greeks devastated the slave army of Xerxes to Cortes's conquest of Mexico to the Tet offensive Victor Davis Hanson explains why the armies of the West have been the most lethal and effective of any fighting forces in the world Looking beyond popular explanations such as geography or superior technology Hanson argues that it is in fact Western culture and values the tradition of dissent the value placed on inventiveness and adaptation the concept of citizenship which have consistently produced superior arms and soldiers Offering riveting battle narratives and a balanced perspective that avoids simple triumphalism Carnage and Culture demonstrates how armies cannot be separated from the cultures that

produce them and explains why an army produced by a free culture will always have the advantage Media Management in the Age of Lyndon B. Johnson Benjamin W. Quail, 2022-01-01 This book looks broadly at how the contentious relationships between the media and US President Lyndon B Johnson affected the national consciousness during the turbulent period of his leadership Johnson had to deal with a particularly difficult and divisive period in American history and his relationship with the press undoubtedly contributed to an atmosphere of friction within the United States A more specific purpose of this research monograph is ultimately to shine a light on the trials and tribulations that Johnson faced as a president dealing with new forms of communication in the 1960s It aims to show the difficulties that he had in adapting a very personal style of leadership which had served him well in the Senate in the role he undertook as leader of a nation Further to this it builds on this foundation to argue that Johnson developed a reactive passive stance to dealing with the media one that ultimately contributed to a loss in popularity and status as leader a blow he never recovered from during his time in office **The Oxford Encyclopedia of American Literature** Jay Parini, 2004 The Encyclopedia of American Literature gathers together 350 essays from over 190 leading scholars on the whole of American literature from European discovery to the present At the core of the Encyclopedia lie 250 essays on poets playwrights essayists and novelists Figures such as Whitman Melville Faulkner Frost and Morrison are discussed in detail with each examined in the context of his or her times an assessment of the writer's current reputation a bibliography of major works and a list of major critical and biographical works about the writer Fifty entries on major works such as Moby Dick Song of Myself Walden The Great Gatsby The Waste Land Their Eyes Were Watching God Death of a Salesman and Beloved place the work in its historical context and offer a range of possibilities with regard to critical approach The Encyclopedia also contains essays on literary movements periods and themes pulling together a broad range of information and making connections between them Each entry has its own primary and annotated secondary bibliography and a system of cross references helps readers locate information with ease The Encyclopedia of American Literature is an outstanding reference source for students studying authors or particular pieces of literature libraries looking for one comprehensive source and readers interested in American literature its authors and its connection with various areas of study Trauma and Transcendence Eric Boynton, Peter Capretto, 2018-08-07 Trauma theory has become a burgeoning site of research in recent decades often demanding interdisciplinary reflections on trauma as a phenomenon that defies disciplinary ownership While this research has always been challenged by the temporal affective and corporeal dimensions of trauma itself trauma theory now faces theoretical and methodological obstacles given its growing interdisciplinarity Trauma and Transcendence gathers scholars in philosophy theology psychoanalysis and social theory to engage the limits and prospects of trauma's transcendence This volume draws attention to the increasing challenge of deciding whether trauma's unassimilable quality can be wielded as a defense of traumatic experience against reductionism or whether it succumbs to a form of obscurantism Contributors Eric Boynton Peter Capretto Tina Chanter Vincenzo Di Nicola

Ronald Eyerman Donna Orange Shelly Rambo Mary Jane Rubenstein Hilary Jerome Scarsella Eric Severson Marcia Mount Shoop Robert D Stolorow George Yancy **The Routledge Encyclopedia of Films** Sabine Haenni, Sarah Barrow, John White, 2014-09-15 The Routledge Encyclopedia of Films comprises 200 essays by leading film scholars analysing the most important influential innovative and interesting films of all time Arranged alphabetically each entry explores why each film is significant for those who study film and explores the social historical and political contexts in which the film was produced Ranging from Hollywood classics to international bestsellers to lesser known representations of national cinema this collection is deliberately broad in scope crossing decades boundaries and genres The encyclopedia thus provides an introduction to the historical range and scope of cinema produced throughout the world
