carol in general and the specific history of individual religious and secular carols they will learn some history and nature of the holiday season which can bring more enjoyment into their celebrations for years to come On long winter nights The Christmas Carol Reader can be read continuously as a series of fact based commentaries on Christmas music For shorter periods in between holiday activities readers can peruse one of the topical sections or select with the aid of the title index an individual essay of interest As a library reference this book can provide facts for research on Christmas songs or just provide an entertaining education for curious library patrons
