The Price of Greatness Jay Cost, 2018-06-05 An incisive account of the tumultuous relationship between Alexander Hamilton and James Madison and of the origins of our wealthy yet highly unequal nation In the history of American politics there are few stories as enigmatic as that of Alexander Hamilton and James Madison's bitterly personal falling out Together they helped bring the Constitution into being yet soon after the new republic was born they broke over the meaning of its founding document Hamilton emphasized economic growth Madison the importance of republican principles Jay Cost is the first to argue that both men were right and that their quarrel reveals a fundamental paradox at the heart of the American experiment He shows that each man in his own way came to accept corruption as a necessary cost of growth *The Price of Greatness* reveals the trade off that made the United States the richest nation in human history and that continues to fracture our politics to this day

The Southern Tradition Eugene D. Genovese, 1994 As much a work of political and moral philosophy as one of history *The Southern Tradition* offers an in depth look at the tenets and attitudes of the Southern conservative worldview Opening a powerful new perspective on today's politics Eugene D Genovese traces a distinct type of conservatism to its sources in Southern tradition **The Mind of the Master Class** Elizabeth Fox-Genovese, Eugene D. Genovese, 2005-10-17 *The Mind of the Master Class* tells of America's greatest historical tragedy It presents the slaveholders as men and women a great many of whom were intelligent honorable and pious It asks how people who were admirable in so many ways could have presided over a social system that proved itself an enormity and inflicted horrors on their slaves The South had formidable proslavery intellectuals who participated fully in transatlantic debates and boldly challenged an ascendant capitalist free labor society Blending classical and Christian traditions they forged a moral and political philosophy designed to sustain conservative principles in history political economy social theory and theology while translating them into

political action Even those who judge their way of life most harshly have much to learn from their probing moral and political reflections on their times and ours beginning with the virtues and failings of their own society and culture **South Carolina Women** Joan Marie Johnson, Marjorie Julian Spruill, Valinda W. Littlefield, 2009-05-25 **9 Presidents Who Screwed Up America** Brion McClanahan, 2016-02-08 Of the forty four presidents who have led the United States nine made mistakes that permanently scarred the nation Which nine Brion McClanahan author of The Politically Incorrect Guide to the Founding Fathers and The Founding Fathers Guide to the Constitution will surprise readers with his list which he supports with exhaustive and entertaining evidence 9 Presidents Who Screwed Up America is a new look back at American history that unabashedly places blame for our nation s current problems on the backs of nine very flawed men American Conservatism Bruce Frohnen, Jeremy Beer, Nelson O. Jeffrey, 2014-05-20 A must own title National Review Online American Conservatism An Encyclopedia is the first comprehensive reference volume to cover what is surely the most influential political and intellectual movement of the past half century More than fifteen years in the making and more than half a million words in length this informative and entertaining encyclopedia contains substantive entries on those persons events organizations and concepts of major importance to postwar American conservatism Its contributors include iconic patriarchs of the conservative and libertarian movements celebrated scholars well known authors and influential movement activists and leaders Ranging from abortion to Zoll Donald Atwell and written from viewpoints as various as those which have informed the postwar conservative movement itself the encyclopedia s more than 600 entries will orient readers of all kinds to the people and ideas that have given shape to contemporary American conservatism This long awaited volume is not to be missed
