LANG

The Ethics Of The Stoic Epictetus An English Translation

Clemens Wendtner

The Ethics Of The Stoic Epictetus An English Translation:

The Ethics of the Stoic Epictetus Adolf Friedrich Bonhöffer, William O. Stephens, 1996 Born a slave but later earning his freedom and founding a school for teaching Stoicism to the sons of Roman noblemen Epictetus c 50 120 A D has been a popular source of Stoic philosophy for centuries Originally published in 1894 by the German scholar Adolf Bonhoffer and here translated into English for the first time this work remains the most systematic and detailed study of Epictetus ethics The basis content and acquisition of virtue are methodically described while important related points in Stoic ethics are discussed in an extensive appendix Epictetus is compared throughout with the other late Stoics Seneca Marcus Aurelius Cicero the early Stoics Zeno Cleanthes Chrysippus and Christian moral thought This approach shows that Stoic ethics continues to have great practical and pedagogical value

The Ethics of the Stoic Epictetus Adolf Friedrich Bonhöffer, 1996 Born a slave but later earning his freedom and founding a school for teaching Stoicism to the sons of Roman noblemen Epictetus e 50 120 A D has been a popular source of Stoic philosophy for centuries Originally published in 1894 by the German scholar Adolf Bonhoffer and here translated into English for the first time this work remains the most systematic and detailed study of Epictetus ethics

The Ethics of the Stoic Epictetus Adolf Friedrich Bonhöffer, 1996 This text remains the only English translation of Bonh ffer s classic definitive examination of Epictetus ethics Thorough knowledgeable perceptive and accessible the unity of this book and its thematic presentation make it an invaluable resource for both scholars and general readers eager to apply Stoic thinking in their daily lives The translation is crisp clear consistent and very readable Careful attention to the details and nuances of the German as well as the Greek of Epictetus make this an excellent achievement This new edition includes a useful biography of Bonh ffer a new overview of the last twenty years of scholarship on Epictetus and an extensive bibliography It is essential reading for students taking courses on ancient Hellenistic or Roman philosophy their instructors and any non academics who want to learn Stoicism

The Ethics of the Stoic Epictetus Adolf Friedrich Bonhöffer, 1996 This text remains the only English translation of Bonh ffer s classic definitive examination of Epictetus ethics Thorough knowledgeable perceptive and accessible the unity of this book and its thematic presentation make it an invaluable resource for both scholars and general readers eager to apply Stoic thinking in their daily lives The translation is crisp clear consistent and very readable Careful attention to the details and nuances of the German as well as the Greek of Epictetus make this an excellent achievement This new edition includes a useful biography of Bonh ffer a new overview of the last twenty years of scholarship on Epictetus and an extensive bibliography It is essential reading for students taking courses on ancient Hellenistic or Roman philosophy their instructors and any non academics who want to learn Stoicism

The Ethics of the Stoic Epictetus Adolf Friedrich Bonhöffer, 1996 **The Ethics of the Enactment and Reception of Cruciform Love** John Frederick, 2019-07-29 Back cover In this book John Frederick critiques the view that Paul was operating from a Hellenistic understanding of moral formation Rather the ethics of Colossians were

derived from the Jewish Two Ways tradition reinterpreted through a theology of Christ like transformation through the enactment and reception of cruciform love *The Invention of Duty: Stoicism as Deontology* Jack Visnjic, 2021-01-11 Did the ancient Greeks and Romans have a concept of moral duty Jack Visnjic seeks to settle this long standing controversy in *The Invention of Duty Stoicism as Deontology* According to the prevailing view ancient ethical systems lacked any sense of moral obligation and were built instead around notions of virtue and human flourishing Visnjic argues that millennia before Kant the Stoics already developed a robust notion of moral duty as well as a sophisticated deontological ethics While most writings of the Stoics perished their concept of duty lived on and eventually came to influence the modern notion In fact there are strong indications that Kant s formulation of a new duty based morality was inspired by his encounter with Stoic ideas I found Visnjic s account of Stoic ethics rich and stimulating I am now converted to the view that one ought to think of Stoic kath konta as duties rather than merely appropriate courses of action and I am grateful to Visnjic for pushing this point John Sellars Royal Holloway University of London Bryn Mawr Classical Review July 2021 **Philo of Alexandria's Ethical Discourse** Nélide Naveros Córdova, CDP, 2018-09-15 Philo of Alexandria s Ethical Discourse Living in the Power of Piety proposes a fresh approach to better understand Philo s ethics exploring the virtue of piety In this exceptionally well researched book N lida Naveros C rdova analyzes five major uses of piety in Philo s treatises piety and the Decalogue piety as a foundational virtue piety as the opposite of impiety the practice of piety and the relationship between piety and love of humanity Naveros carefully examines each of these five uses within both the Hellenistic Jewish and Greek philosophical traditions focusing particularly on piety s primary role in Philo s teaching about the acquisition of virtues and the avoidance of vices Naveros argues that in his ethical discourse Philo incorporates language familiar in ancient Greek philosophical ethical systems to attribute qualities and powers to the virtue of piety This book illustrates the way Philo moves beyond both Hellenistic Jewish and Greek philosophical traditions by comprehensively showing how he develops the place of piety from being a subordinate virtue in Greek catalogue of virtues to becoming a foundational virtue Naveros brings evidence from ancient Greco Roman and major Hellenistic Jewish texts as well as modern secondary literature in order to argue and support a plausible case for the understanding of Philo s unique configuration of his own ethical discourse his view of virtue ethics and his philosophical stance To date this is an original study on Philo s ethics and the first to offer the fullest evaluation of piety within the categories of ancient ethical systems **Brill's Companion to the Reception of Socrates** , 2019-05-15 Brill s Companion to the Reception of Socrates edited by Christopher Moore provides almost unbroken coverage across three dozen studies of 2450 years of philosophical and literary engagement with Socrates the singular Athenian intellectual paradigm of moral discipline and inspiration for millennia of philosophical rhetorical and dramatic composition Following an Introduction reflecting on the essentially receptive nature of Socrates influence by contrast to Plato s chapters address the uptake of Socrates by authors in the Classical Hellenistic Roman Late Antique including Latin Christian Syriac

and Arabic Medieval including Byzantine Renaissance Early Modern Late Modern and Twentieth Century periods Together they reveal the continuity of Socrates idiosyncratic polyvalent and deep imprint on the history of Western thought and witness the value of further research in the reception of Socrates

Backgrounds of Early Christianity Everett Ferguson, 2003-08-19 Having long served as a standard introduction to the world of the early church Everett Ferguson's **Backgrounds of Early Christianity** has been expanded and updated in this third edition The book explores and unpacks the Roman Greek and Jewish political social religious and philosophical backgrounds necessary for a good historical understanding of the New Testament and the early church New to this edition are revisions of Ferguson's original material updated bibliographies and fresh discussions of first century social life of Gnosticism and of the Dead Sea Scrolls and other Jewish literature

As recognized, adventure as without difficulty as experience about lesson, amusement, as well as concurrence can be gotten by just checking out a books **The Ethics Of The Stoic Epictetus An English Translation** next it is not directly done, you could take even more concerning this life, as regards the world.

We come up with the money for you this proper as with ease as simple pretentiousness to get those all. We manage to pay for The Ethics Of The Stoic Epictetus An English Translation and numerous books collections from fictions to scientific research in any way. in the course of them is this The Ethics Of The Stoic Epictetus An English Translation that can be your partner.
