

WHAT IS ETHICS?

Ethics is based on well-founded standards of what is morally good and bad and morally right and wrong for the society.

Ethics establish the rules that individuals need to follow for the survival of the society. Therefore, ethics are subjective and communal.

An **ethical behavior** is an action that is following the rules of what is considered correct in society. On the contrary, a *moral behavior* is driven by the desire to be good.

The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and thrilling novel that will keep you guessing until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
