The Ethnic Detectives Masterpieces Of Mystery Fiction:

The Ethnic Detectives Bill Pronzini, Martin Harry Greenberg, 1985-01-01 **The Ethnic Detectives** Bill Pronzini, 1985-05-01 The Mahboob Chaudri Mystery MEGAPACK TM: The Complete Mystery Series Josh Pachter, 2015-07-21 When his hand reappeared he was holding neither cigarettes nor keys He was holding a small black revolver that glittered evilly in the diffused light admitted by the curtains and his hand was steady as he touched it to the temple of the sleeping man in the bed Murder kidnapping robbery smuggling industrial sabotage and international terrorism Mahboob Chaudri a Pakistani native working as a police officer in the Middle Eastern island emirate of Bahrain tackles all these crimes and more and solves them with a charming mixture of logic wisdom wit and heart From 1984 to 1986 seven short Chaudri stories by Josh Pachter appeared in the pages of Ellery Queen s Mystery Magazine and Alfred Hitchcock s Mystery Magazine and three more were later published in other places In his classic anthology The Ethnic Detectives noted author critic Bill Pronzini called Chaudri one of crime fiction s most delightful new detectives and the Chaudri stories have been reprinted in several Year s Best collections and other anthologies In The Mahboob Chaudri Mystery MEGAPACKTM published in paperback as The Tree of Life all 10 of the Chaudri stories are gathered together in a single volume for the first time complete with a new introduction and new afterwords for each story by the author **100 Masters of Mystery and Detective Fiction** Fiona Kelleghan, 2001 Essays taken from Salem Press s Critical survey of mystery and detective fiction published in 1988 **Murder on the Reservation** Ray B. Browne, 2004-06-30 In Murder on the Reservation Ray B Browne surveys the work of several of the best known writers of crime fiction involving Indian characters and references virtually every book that qualifies as an Indian related mystery Browne believes that within the genre of crime fiction all people are equal and the increasing role of Indian characters in criminal fiction proves what an important role this genre plays as a powerful democratizing force in American society He endeavors to both analyze and evaluate the individual work of the authors and at the same time provide a commentary on the various attitudes towards race relations in the United States that each author presents Some Indian fiction is intended to right the wrongs the authors feel have been leveled against Indians Other authors use Indian lore and Indian locales as exotic elements and locations for the entertaining and commercially successful stories they want to write Browne s analysis includes authors and works of all backgrounds with mysteries of first class murder both on and off the reservation **Black Camelot** William L. Van Deburg, 2008-04-15 In the wake of the Kennedy era a new kind of ethnic hero emerged within African American popular culture Uniquely suited to the times burgeoning pop icons projected the values and beliefs of the Civil Rights and Black Power movements and reflected both the possibility and the actuality of a rapidly changing American landscape In Black Camelot William Van Deburg examines the dynamic rise of these new black champions the social and historical contexts in which they flourished and their powerful impact on the African American community Van Deburg manages the enviable feat of writing with flair within a standardized

academic framework covering politics social issues and entertainment with equal aplomb Jonathan Pearl Jazz Times A fascinating thorough account of how African American icons of the 1960s and 70s have changed the course of American history An in depth even tempered analysis Van Deburg s witty lively and always grounded style entertains while it instructs Publishers Weekly Interpretive Ethnography Norman K. Denzin,1997 Norman K Denzin ponders the prospects problems and forms of ethnographic interpretive writing in the twenty first century He argues that postmodern ethnography is the moral discourse of the contemporary world and that ethnographers can and should explore new types of experimental texts to form a new ethics of inquiry **Shaman or Sherlock?** Gina Macdonald,Andrew F. Macdonald,2001-11-30 Fictional depictions of Native American concepts of justice crime and the investigation of crime are explored in this original work Shaman or Sherlock explores depictions created by Native American authors themselves as well as those created by outsiders with mainstream agendas The most successful of these writers fuse authentic Native American culture with standard genre conventions thus providing an appealing empathetic view of little understood or underappreciated groups as well as insight into issues of cross cultural communication Dealing with such significant concepts as acculturation regional diversity and assimilation this unique study evaluates over 200 detective stories Though the crime novel began in Europe as a manifestation of Enlightenment rationality and scientific methodology the Native American detective story moves into the realm of the spiritual and intuitive often incorporating depictions of non material phenomena Shaman or Sherlock explores how geographical and tribal differences degrees of assimilation and the evolution of age old cultural patterns shape the Native American detective story Native American Mystery Writing Mary Stoecklein,2019-04-04 Though mystery crime and detective fiction are some of the most popular genres in the world little scholarship currently exists regarding Native American writers and how they add new dimensions to this widely read literary form Rather the majority of scholarship examines the depiction of Native characters from the perspective of non Native authors Native American Mystery Writing Indigenous Investigations analyzes how Native authors use the genre to foreground centuries of settler colonial crimes and comment upon the ways in which these acts continue to impact Native individuals and communities today Considering fourteen novels and two made for TV films this book surveys a spectrum of settler colonial crimes the Osage oil murders sexual assault against Native women missing and murdered Indigenous women the California mission system suppression of spiritual beliefs theft of land children and cultural items and of course murder Examination of these texts shows how Native authors working with the mystery crime and detective fiction formats are able to entertain readers while also sending strong social cultural and political messages that argue for strengthened tribal sovereignty and illustrate the resilience of Indigenous peoples all in order to promote discussions about creating a more just system for Native Nations **Crimes Against the State, Crimes Against Persons** Persephone Braham,2004
