The Ethnic Myth Race Ethnicity And Class In America:

The Ethnic Myth Stephen Steinberg, Sir Basil Henry Liddell Hart, 1981 **The Ethnic Myth** Stephen Steinberg, 1981
You hold in your hand a dangerous book Because it rejects as it clarifies most of the current wisdom on race ethnicity and immigration in the United States The Ethnic Myth has the force of a scholarly bomb from the Introduction by Eric William Lott In this classic work sociologist Stephen Steinberg rejects the prevailing view that cultural values and ethnic traits are the primary determinants of the economic destiny of racial and ethnic groups in America He argues that locality class conflict selective migration and other historical and economic factors play a far larger role not only in producing inequalities but in maintaining them as well thus providing an insightful explanation into why some groups are successful in their pursuit of the American dream and others are not **The Ethnic Myth** Stephen Steinberg, 2001-01-16 You hold in your hand a dangerous book Because it rejects as it clarifies most of the current wisdom on race ethnicity and immigration in the United States The Ethnic Myth has the force of a scholarly bomb from the Introduction by Eric William Lott In this classic work sociologist Stephen Steinberg rejects the prevailing view that cultural values and ethnic traits are the primary determinants of the economic destiny of racial and ethnic groups in America He argues that locality class conflict selective migration and other historical and economic factors play a far larger role not only in producing inequalities but in maintaining them as well thus providing an insightful explanation into why some groups are successful in their pursuit of the American dream and others are not Ethnicity and Race Stephen Cornell, Douglas Hartmann, 2007 Resource added for the Psychology includes Sociology 108091 courses **Immigration Reconsidered** Virginia Yans-McLaughlin, 1990-11-15 Providing an interdisciplinary and global perspective on immigration to the United States this collection of essays brings together the work of leading scholars in the field including the work of such distinguished historians sociologists and political scientists as Charles Tilly Philip Curtin Kirby Miller Sucheng Chan Alejandro Portes Lawrence Fuchs and Aristide Zolberg and represents an important step forward in the development of immigration studies The book helps redirect thinking on the subject by giving a summary of the current state of immigration studies and a coherent new perspective that emphasizes the international dimensions of the immigrant experience from the time of the slave trade to present day movements of Asian and Latin American peoples Immigration Reconsidered challenges ethnocentric American or European perspectives on immigration disputes the classical assimilation model of a linear progression of immigrant cultures toward a dominant American national character questions human capital theory as an explanation of ethnic group achievement reveals conflicting ethnic and racial attitudes toward immigration restriction and examines the revival of interest in oral history immigrant autobiographies and other subjective documents Offering a new approach to immigration studies for the 1990s Immigration Reconsidered is important reading for anyone who wants to know how the America came to be as it is today
The Socio-economics of Crime and Justice Brian Forst, 2016-06-16 This book on crime and justice is motivated primarily

by the idea that individual behaviour is influenced both by self interest and by conscience or by a sense of community responsibility Forst has assembled a collection of authors who are writing in four parts 1 the philosophical foundations and the moral dimension of crime and punishment 2 the sense of community and the way it influences the problem of crime 3 on offenders and offences and 4 on the response of the criminal justice system **From Another Place** Gillian Bottomley,1992-06-26 Various perspectives on class gender ethnicity and identity are interwoven throughout the discussion of the experiences of work health and state intervention in the lives of non English speakers in Australia particularly Greek Australians throughout much of the twentieth century **Speaking the Unspeakable** Margaret Abraham,2000 Over the past 20 years much work has focused on domestic violence yet little attention has been paid to the causes manifestations and resolutions to marital violence among ethnic minorities especially recent immigrants Margaret Abraham s *Speaking the Unspeakable* is the first book to focus on South Asian women s experiences of domestic violence defined by the author as physical sexual verbal mental or economic coercion power or control perpetrated on a woman by her spouse or extended kin Abraham explains how immigration issues cultural assumptions and unfamiliarity with American social legal economic and other institutional systems coupled with stereotyping make these women especially vulnerable to domestic violence Abraham lets readers hear the voices of abused South Asian women Through their stories we learn of their weaknesses and strengths and of their experiences of domestic violence within the larger cultural social economic and political context We see both the individual strategies of resistance against their abusers as well as the pivotal role South Asian organizations play in helping these women escape abusive relationships Abraham also describes the central role played by South Asian activism as it emerged in the 1980s in the United States and addresses the ideas and practices both within and outside of the South Asian community that stereotype discriminate and oppress South Asians in their everyday lives People & Politics in Urban America Robert W. Kweit,Mary G. Kweit,2013-10-31 This revised textbook for courses on urban politics challenges the notion that the field is dominated by political economy showing that despite the undeniable importance of economic issues citizens do play a significant part in urban politics *People and Politics in Urban America, Second Edition* Robert W. Kweit,Mary G. Kweit,2013-11-26 First Published in 1998 Approximately 75 percent of Americans live in cities and surrounding suburbs and the characteristics of those cities inescapably affect the quality of their lives This book examines the extent to which these Americans use the political process to control the characteristics of life in their metropolises In addition this second edition revision places great emphasis on the role of political leaders while recognising the interdependence between those leaders and various interests in the city
