The Evil Eye A Casebook:

The Evil Eye Alan Dundes, 1992 The evil eye the power to inflict illness damage to property or even death simply by gazing at or praising someone is among the most pervasive and powerful folk beliefs in the Indo European and Semitic world It is also one of the oldest judging from its appearance in the Bible and in Sumerian texts five thousand years old Remnants of the superstition persist today when we drink toasts tip waiters and bless sneezers To avert the evil eye Muslim women wear veils baseball players avoid mentioning a no hitter in progress and traditional Jews say their business or health is not bad rather than good Though by no means universal the evil eye continues to be a major factor in the behavior of millions of people living in the Mediterranean and Arab countries as well as among immigrants to the Americas This widespread superstition has attracted the attention of many scholars and the twenty one essays gathered in this book represent research from diverse perspectives anthropology classics folklore studies ophthalmology psychiatry psychoanalysis sociology and religious studies Some essays are fascinating reports of beliefs about the evil eye from India and Iran to Scotland and Slovak American communities others analyze the origin function and cultural significance of this folk belief from ancient times to the present day Editor Alan Dundes concludes the volume by proffering a comprehensive theoretical explanation of the evil eye Anyone who has ever knocked on wood to ward off misfortune will enjoy this generous sampling of evil eye scholarship and may never see the world through the same eyes again

The Evil Eye Alan Dundes, 1981 *Beware the Evil Eye* John H Elliott, 2016-04-28 In the Sermon on the Mount Jesus of Nazareth makes reference to one of the oldest beliefs in the ancient world the malignity of an Evil Eye The Holy Scriptures in their original languages contain no less than twenty four references to the Evil Eye although this is obscured by most modern Bible translations John H Elliott s *Beware the Evil Eye* describes this belief and associated practices its history its voluminous appearances in ancient cultures and the extensive research devoted to it over the centuries in order to unravel this enigma for readers who have never heard of the Evil Eye and its presence in the Bible This is the first of a four volume work on the Evil Eye

Beware the Evil Eye Volume 1 John H. Elliott, 2015-11-11 In the Sermon on the Mount Jesus of Nazareth makes reference to one of the oldest beliefs in the ancient world the malignity of an Evil Eye The Holy Scriptures in their original languages contain no less than twenty four references to the Evil Eye although this is obscured by most modern Bible translations John H Elliott s *Beware the Evil Eye* describes this belief and associated practices its history its voluminous appearances in ancient cultures and the extensive research devoted to it over the centuries in order to unravel this enigma for readers who have never heard of the Evil Eye and its presence in the Bible

Beware the Evil Eye, 4-Volume Set John H. Elliott, 2017-09-20 In the Sermon on the Mount Jesus of Nazareth makes reference to one of the oldest beliefs in the ancient world the malignity of an Evil Eye The Holy Scriptures in their original languages contain no less than twenty four references to the Evil Eye although this is obscured by most modern Bible translations John H Elliott s *Beware the Evil Eye* describes this belief and associated practices its history its

voluminous appearances in ancient cultures and the extensive research devoted to it over the centuries in order to unravel this enigma for readers who have never heard of the Evil Eye and its presence in the Bible The four volumes cover the ancient world from Sumer to the Middle Ages *The Evil Eye, Thanatology and Other Essays* Roswell Park, M.d.,Roswell Park M D,2015-10-18 If we accidentally cut someone off in traffic we may get a scowl or menacing glare in return For most of us it is soon shrugged off but in many places the evil eye is taken very seriously The evil eye is a human look believed to cause harm to someone or something else The supernatural harm may come in the form of anything from a minor misfortune to disease injury or even death Folklorist Alan Dundes in his edited volume *The Evil Eye A Casebook* notes that the victim s good fortune good health or good looks or unguarded comments about them invite or provoke an attack by someone with the evil eye If the object attacked is animate it may fall ill Symptoms of illness caused by the evil eye include loss of appetite excessive yawning hiccups vomiting and fever If the object attacked is a cow its milk may dry up if a plant or fruit tree it may suddenly wither and die It can even affect objects and buildings The evil eye cast upon a vehicle may cause it to break down irreparably while a house so cursed may soon develop a leaky roof or an insect infestation Just about anything that goes wrong for any reason or no reason at all may be blamed on the power of the evil eye *Magic and the Supernatural in Fourth Century Syria* Silke Trzcionka,2006-11-22 *Magic and the Supernatural in Fourth Century Syria* presents an in depth investigation of a variety of magical practices with a focused study in the late antique Syria and Palestine Offering new research using both archaeological and literary sources and blending Classical Jewish and Christian traditions from both regions Silke Trzcionka examines a myriad of magical activities such as curses spells and amulets accusations related to chariot races love and livelihood methods involved in protection healing possession and exorcism The information is provided with clarity and theoretical sophistication which enables students to develop an understanding of these beliefs and their place within the social context of the time Altogether a useful enlightening and enjoyable book which students studying religion and or social history will find invaluable *The Mummy's Curse* Roger Luckhurst,2012-10-25 A quirky history that offers a new way of understanding the myth of the mummy s curse Roger Luckhurst provides a startling path through the cultural history of Victorian England and its colonial possessions **An Anatomy of Witchcraft** Oscar Di Simplicio,Martina Di Simplicio,2023-11-30 Much has been written on witchcraft by historians theologians philosophers and anthropologists but nothing by scientists This book aims to reappraise witchcraft by applying to it the advances in cognitive sciences The book is divided into four parts Part I Deep History deals with human emotions and the drive to represent witches as evil female agents Part II Historical Times focuses on those rare state and church repressions of malefice which surprisingly did not feature in Islamic lands Modern urbanization dealt a blow to the rural civilizations where accusations of witchcraft were rife Part III In the Laboratory applies neuroscience to specific case studies to investigate the personification of misfortune the millenary stereotype witch woman the reality of evil and the phenomenon of treasure hunting Part IV Millenials wonders

whether intentional malefic hatred in a closed chapter in the history of humanity An Anatomy of Witchcraft is ideal reading for students and scholars Given its interdisciplinary nature the book will be of interest to scholars from many fields including evolutionary psychology anthropology women s history and cognitive sciences The Memory of the Eyes Georgia Frank,2000-05-11 Pilgrims in the deserts of Egypt and the holy land during the fourth and fifth centuries A D often reported visiting holy people as part of their tours of holy places This is the first comprehensive study of pilgrimage to these famous ascetics of late antique Christianity Through an original analysis of pilgrim writings of this period Georgia Frank discovers a literary imagination at work one that both recorded and shaped the experience of pilgrimage to living saints Taking an important new approach to these texts Frank finds in them a record of the writers and readers spiritual expectations and uses these fresh insights to add substantially to our understanding of the purposes and practices of pilgrimage Frank focuses in particular on two important and well known early texts The History of the Monks in Egypt ca 400 and Palladius s The Lausiac History ca 420 situating these narratives in their literary historical and spiritual contexts She compares these narratives to exotic travel writing and to tales of otherworldly journeys Bringing in contemporary theory she demonstrates the importance of sight as a means of spiritual progress and explores the relation between the function of sight in these narratives and in other expressions of visual piety in late antiquity Christianity such as the veneration of relics and eventually icons With its unique focus on the sensory dimensions of pilgrimage especially visuality this absorbing book widens our understanding of early Christian pilgrims and those who read their accounts At the same time it also sheds new light on the relation between religious experience and the senses on literary representations of visual experience and on the literature of pious travel

The Evil Eye A Casebook Introduction

In today's digital age, the availability of The Evil Eye A Casebook books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of The Evil Eye A Casebook books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of The Evil Eye A Casebook books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing The Evil Eye A Casebook versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, The Evil Eye A Casebook books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing The Evil Eye A Casebook books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for The Evil Eye A Casebook

books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, The Evil Eye A Casebook books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of The Evil Eye A Casebook books and manuals for download and embark on your journey of knowledge?
