

THE EXECUTIONER'S SON

The Executioners Son

Steve Fielding

The Executioners Son:

The Executioner's Song Norman Mailer, 2012-05-08 In this Pulitzer Prize winning classic a convicted killer becomes the first prisoner to be executed in the United States The Executioner's Song follows the true story of cold blooded murderer Gary Gilmore who after being tried and convicted insisted on being executed for his crimes To do so he fought a system intent on keeping him alive long after it sentenced him to death Norman Mailer tells Gilmore's story with impressive authority and compassion The Executioner's Song is a trip down the wrong side of the tracks right into the heart of American loneliness and violence it is impossible to put down and difficult to forget

The Executioner's Song Norman Mailer, 1998 In what is arguably his greatest book written in 1979 and reissued here in trade paperback America's most heroically ambitious writer follows the short blighted career of Gary Gilmore an intractably violent product of America's prisons who after robbing two men and killing them in cold blood insisted on dying for his crime

The Prophets and the Executioners Frank Franco, 2021-03-12 Previously in Book 1 of the Prophets and the Executioner The Awakening It was December 2011 when Steven Di Carlo suffered a horrific accident that put him in a coma for sixteen days During those sixteen days he was awakened to his purpose on earth by being shown several of his past lives spanning thousands of years and a vision of a future time His story began on his home planet amid a devastating war a planet destroyed by greed a home they chose to abandon in search of another Arriving on Earth ten thousand years ago they found a planet in dire need of cleansing and not much safer than the one they had left behind Too tired to search for another and too eager for their long journey to end they decided that Earth would become their new home In 949 Plati Greece living his life as Thaddeus son of Constantine his two uncles were executed and his father was the one who ordered the execution In 1789 Lockerbie Scotland living his life as Francis Mackenzie he was awakened to the evil forces of Daniel Macleod the brutal murder of his two children and the loss of his wife who died of a broken heart a year later In 1958 living his life as Giuseppe D Amato he was awakened to the wickedness of Luciano Lo Sciavo at an epic battle in the small Italian village of Amato His only son was shot dead and his wife died trying to save him In 2011 Riverdale New York living his present day life as Steven Di Carlo he was awakened to a vision of a future where his wife and children would be brutally murdered and the world would be brought to the brink of darkness To save his ninth family and all of humankind he would need the help of others like him and the guidance of the path to defeat the darkness Will the executioner be able to save them or will evil prevail Find out in The Darkness book 2 of the trilogy The Prophets and the Executioner

The Executioners Bible Steve Fielding, 2008-11-12 It has been just over 40 years since a gallows was last used in Great Britain and the secrets behind the men who pulled the lever and dropped the condemned to their deaths are still shrouded in mystery This account tells the story of the working class men who carried out this profession until its abolition in the late 1960s The hangman's rope was part of an exact science and in their day the men who undertook the job assumed the profiles of infamous celebrities their reputations often rivaling the notorious criminals

they were charged with dispatching From the bungling hangmen sacked for incompetence and those driven to guilt ridden suicide to the last to pull the lever at the height of the swinging sixties the secrets of this form of capital punishment are finally revealed They were the last of their kind the hangmen of the 20th century and this is their fascinating sometimes repugnant always enthralling story *The Executioner's Son* John Schmitz,2017-03-29 *The Executionerand's Son* John H Schmitz,2020-05-15 Book Delisted *A Day in a Working Life* Gary Westfahl,2015-04-21 Ideal for high school and college students studying history through the everyday lives of men and women this book offers intriguing information about the jobs that people have held from ancient times to the 21st century This unique book provides detailed studies of more than 300 occupations as they were practiced in 21 historical time periods ranging from prehistory to the present day Each profession is examined in a compelling essay that is specifically written to inform readers about career choices in different times and cultures and is accompanied by a bibliography of additional sources of information sidebars that relate historical issues to present day concerns as well as related historical documents Readers of this work will learn what each profession entailed or entails on a daily basis how one gained entry to the vocation training methods and typical compensation levels for the job The book provides sufficient specific detail to convey a comprehensive understanding of the experiences benefits and downsides of a given profession Selected accompanying documents further bring history to life by offering honest testimonies from people who actually worked in these occupations or interacted with those in that field *The Faithful Executioner* Joel F. Harrington,2013-03-19 The extraordinary story of a renaissance era executioner and his world based on a rare and overlooked journal In a dusty German bookshop the noted historian Joel F Harrington stumbled upon a remarkable document the journal of a sixteenth century executioner The journal gave an account of the 394 people Meister Frantz Schmidt executed and the hundreds more he tortured flogged or disfigured for more than forty five years in the city of Nuremberg But the portrait of Schmidt that gradually emerged was not that of a monster Could a man who practiced such cruelty also be insightful compassionate even progressive In *The Faithful Executioner* Harrington teases out the hidden meanings and drama of Schmidt s journal Deemed an official outcast Meister Frantz sought to prove himself worthy of honor and free his children from the stigma of his profession Harrington uncovers details of Schmidt s life and work the shocking but often familiar crimes of the day the medical practice that he felt was his true calling and his lifelong struggle to reconcile his craft with his religious faith In this groundbreaking and intimate portrait Harrington shows us that our thinking about justice and punishment and our sense of our own humanity are not so remote from the world of *The Faithful Executioner* Defiled Trades and Social Outcasts Kathy Stuart,2000-05-04 This book presents a social and cultural history of dishonourable people unehrliche Leute an outcast group in early modern Germany Executioners skimmers grave diggers shepherds barber surgeons millers linen weavers sow gelders latrine cleaners and bailiffs were among the dishonourable by virtue of their trades This dishonour was either hereditary often through several generations or it arose from ritual pollution whereby honourable

citizens could become dishonourable by coming into casual contact with members of the outcast group The dishonourable milieu of the city of Augsburg from the sixteenth to the eighteenth centuries is reconstructed to show the extent to which dishonour determined the life chances and self identity of dishonourable people The book then investigates how honourable estates interacted with dishonourable people and how the pollution anxieties of early modern Germans structured social and political relations within honourable society
