The Exodus Pattern In The Bible All Souls Series:

Exodus Dr. John I. Durham, 2020-12-15 A companion series to the acclaimed Word Biblical Commentary Finding the great themes of the books of the Bible is essential to the study of God's Word and to the preaching and teaching of its truths These themes and ideas are often like precious gems they lie beneath the surface and can only be discovered with some difficulty While commentaries are useful for helping readers understand the content of a verse or chapter they are not usually designed to help the reader to trace important subjects systematically within a given book a Scripture The Word Biblical Themes series helps readers discover the important themes of a book of the Bible This series distills the theological essence of a given book of Scripture and serves it up in ways that enrich the preaching teaching worship and discipleship of God's people Volumes in this series Written by top biblical scholars Feature authors who wrote on the same book of the Bible for the Word Biblical Commentary series Distill deep and focused study on a biblical book into the most important themes and practical applications of them Give reader's an ability to see the big picture of a book of the Bible by understanding what topics and concerns were most important to the biblical writers Help address pressing issues in the church today by showing readers see how the biblical writers approached similar issues in their day Ideal for sermon preparation and for other teaching in the church Word Biblical Themes are an ideal resource for any reader who has used and benefited from the Word Biblical Commentary series and will help pastors bible teachers and students as they seek to understand and apply God's word to their ministry and learning

Exodus Annette Hoffmann, 2020-01-20 The scientific debates on border crossings and cultural exchange between Judaism Christianity and Islam have much increased over the last decades Within this context however little attention has been given to the biblical Exodus which not only plays a pivotal role in the Abrahamic religions but also is a master narrative of a border crossing in itself Sea and desert are spaces of liminality and transit in more than just a geographical sense Their passage includes a transition to freedom and initiation into a new divine community an encounter with God and an entry into the Age of law The volume gathers twelve articles written by leading specialists in Jewish and Islamic Studies Theology and Literature Art and Film history dedicated to the transitional aspects within the Exodus narrative Bringing these studies together the volume takes a double approach one that is both comparative and intercultural How do Jewish Christian and Islamic texts and images read and retell the various border crossings in the Exodus story and on what levels do they interrelate By raising these questions the volume aims to contribute to a deeper understanding of contact points between the various traditions

Keener, 2010-03-01 Keener's commentary explores the Jewish and Greco Roman settings of John more deeply than previous works paying special attention to social historical and rhetorical features of the Gospel It cites about 4 000 different secondary sources and uses over 20 000 references from ancient literature **Matthew** Craig S. Keener, 1997-08-08 Matthew was the most popular gospel in the early church widely read for its clear emphasis on Jesus teaching Craig Keener expounds the text as a discipleship manual for believers today The Psalms as Christian Praise Bruce K. Waltke, James M. Houston, 2019-11-19 Two respected scholars explore the heart of the Psalms Following in the style of their companion volumes *The Psalms as Christian Worship* and *The Psalms as Christian Lament* Bruce Waltke and James Houston now explore the depths of Christian praise Each volume uniquely blends verse by verse commentary with a history of Psalms interpretation in the church from the time of the apostles to the present Since praise is the essence of the book of Psalms Waltke and Houston have narrowed the focus to Book IV of the Psalter Psalms 90 106 which magnify God and proclaim him king To give voice to the psalmist the authors carefully translate and explain each psalm and summarize its theological message This is followed by listening to the voice of godly churchmen whose comments have stood the test of time *The Psalms as Christian Praise* is ideal for anyone seeking to better understand the praise of Israel as found in the Psalms and how Christians also use these Psalms in worship
