The Eye Of The Storm Spiritual Resources For The Pursuit Of Justice:

The Eye of the Storm Kenneth Leech,1992 Examines the need for spiritual resources which can support and nourish the search for a just society *Gateways to the Divine* Andrew D. Mayes,2020-10-21 Step across the threshold and enter different spiritual worlds Discover riches from the treasury of Jerusalem s religious traditions Meet ordinary people of the holy city becoming extraordinary as they explore pathways to the Divine practitioners of Kabbalah and Sufi traditions Armenian and Syriac prayer Franciscan and Orthodox spiritualities Listen to those who actually live on the Via Dolorosa the Way of the Cross their hopes and heartaches Experience for yourself the transformative and life changing potential of their spiritualities in a way that will enrich and empower you in your own situation and equip you for a greater engagement with spiritual traditions This is the invitation of this book and the lure of the gateways of Jerusalem This resource embraces a kaleidoscope and mosaic of nationalities and ethnicities and spiritual traditions Chapters include a short extract from classic spiritual writers of each tradition so we can engage firsthand with their spiritual riches Suggested prayer exercises encourage us to make this an experiential reading while questions in each chapter trigger reflection in individual readers or in groups using this as a course Two concluding chapters identify commonalities and shared threads amongst the tapestry of religious traditions and help us to relate the experience of this book to our own everyday environment **The Crucifixion** Fleming Rutledge,2017-02-09 Few treatments of the death of Jesus Christ have made a point of accounting for the gruesome degrading public manner of his death by crucifixion a mode of execution so loathsome that the ancient Romans never spoke of it in polite society Rutledge probes all the various themes and motifs used by the New Testament evangelists and apostolic writers to explain the meaning of the cross of Christ She shows how each of the biblical themes contributes to the whole with the Christus Victor motif and the concept of substitution sharing pride of place along with Irenaeus s recapitulation model
