The Facade:

The Façade Michael S. Heiser, 2012-11-19 Sci fi meets historical fact in this thrilling novel by ancient language scholar Michael S Heiser Haunted by his parents death and his career failures Dr Brian Scott has begun to settle for the life he s been given Until he s kidnapped by military insiders known as The Group Disappearances Visitations Murder Brian and a team of world class scholars are given a confidential mission To prepare humanity for a new reality They are here But as the government s involvement with extraterrestrials is revealed strange things begin to happen Something isn t right Unpeeling layer after layer of deception and counter deception Brian moves toward a shocking revelation that will forever alter how humanity sees itself Every document cited in The Fa ade actually exists Every ancient text discussed in The Fa ade is authentic Every historical figure referred to or quoted in The Fa ade is real

The Facade: Special Edition , The Architecture of the Facade Randall Korman, 2022-12-30 The Architecture of the Facade provides a comprehensive study of the facade as both a physical and cultural artifact highlighting its significance as a critical component of the civic realm and arguing for the restoration of the art of the facade as both a subject of study within academia and an aspiration within the profession at large As the principal surface of mediation contextualization and representation the facade carries the lion s share of responsibility for containing the internal environment and confronting the outer world And yet in recent decades the very question of what exactly a facade is has been raised by the dramatic changes in building technology advances of parametric design and the ubiquity of autonomous buildings The Architecture of the Facade addresses these and other related issues The book is organized into 12 chapters with each chapter focusing on a particular aspect of the phenomenon of the facade such as those of wall the frame transparency and the role of the facade in civic space Korman also discusses proportional systems the language of composition the role of precedent the importance of context and much more Over 350 photos and diagrams provide readers with a variety of examples of artful facades throughout history Online teaching resources that accompany this book include a course syllabus a glossary and a Pinterest tack board of facades This book will be of great interest to students in architecture studios as well as instructors and professional architects interested in facade design

Executive Design of the Façade Systems Ingrid Paoletti, Massimiliano Nastri, 2023-09-25 The book examines the typological and technological constitution of the principal advanced fa ade systems in the contemporary design and experimental scenario proposing itself as a knowledge and operational tool currently lacking in the technical literature of the sector at an international level It considers the field of advanced fa ade systems in a scientific way constituting a support for the study and the executive design The book investigates in detail in an analytical form the constitution of the components on a typological and geometrical functional and constructive level on the basis of the documents and knowledges acquired from the essential contemporary production and construction references At the same time the book is configured in a handbook form as a reference for understanding and application with respect to traditional and complex fa ade systems For each main

type of fa ade the book provides explanations and scientific information for investigating and designing the advanced fa ades according to the characteristics of the mullions and transoms fa ade system stick system of the structural sealant glazing fa ade system of the unit fa ade system of the suspended fa ade system and of the double skin fa ade system *Construction of the Façade Systems* Ingrid Paoletti,Massimiliano Nastri,2023-12-04 The book explores the advanced fa ade systems according to the productive and constructive contents in a cognitive and operative form as a manual text to provide guidelines for researchers technicians and professionals It provides operational guidance for the technological design production planning and site executive coordination for the realization of fa ade systems The analysis deals with the main building elements and technical interfaces The study of the fa ade systems after explaining the anchoring structures and their connections to the load bearing elements investigates the criteria for the assembly between the framings In particular the book examines the technical interfaces of the main advanced envelope systems with respect to the functional constructive and applicative coordination procedures of the mullions and transoms framing of the structural sealant glazing fa ade system of the unit fa ade system of the suspended fa ade system and of the double skin fa ade system The technical and manual character of the book is also expressed through the analysis of the functional and application procedures of the gaskets with respect to the fa ade systems in order to prevent the transmission of air and water loads the analysis focuses on the connections between the framing and the enclosure elements of the envelope in accordance with the compensation of height differences in order to guarantee impermeability airtightness and insulation Then the book describes the assembly and interface conditions between elements of different composition and production within the fa ade systems the examination of the technical interfaces involves the development and application of sealants based on the loads exerted on the jointing devices in order to fulfill the requirements of sealing and tightness with respect to mechanical thermal and hygrometric water air and wind stresses Moreover the study of the envelope systems examines the methodologies directed toward fulfilling the requirements with respect to the actions caused by fire loads considering the contents related to both components and connections and fixing surfaces **Snapshots Behind The Facade** Harry Harner,2008-12 Snapshots Behind the Fa ade is an absorbing collection of observations many of them profound on various facets of life on planet Earth In essence the author takes a broad look at the fabricated social environment that we humans have created for ourselves and he highlights the curious and nonsensical nature of much of our surroundings The critique of the war on Iraq will be of special interest to those looking for a definitive explanation of what that war is all about The author also offers conclusions about the fundamental nature of matters of the ultimate importance life death religion and the future After reading this engaging and entertaining book you may look at a lot of things a lot differently Look Behind the Facade Abbas Sundiata,2006-04 According to the author Islam has hidden behind a fa ade of goodness for too long The time has come to look behind that fa ade and view the malignity at the core of Islam *Behind the Facade of Liberty* Pasquale De Marco, In a

world where liberty is an illusion Behind the Facade of Liberty exposes the hidden struggle for the hearts and minds of the people Powerful interests manipulate public opinion silence dissenting voices and maintain a facade of choice and freedom while the true levers of power remain firmly in the hands of a privileged few This thought provoking book delves into the true cost of liberty revealing the sacrifices made in individual rights social welfare and the exploitation of labor It unveils the devastating consequences of endless war and environmental destruction leaving a legacy of suffering and destruction The erosion of values the disintegration of communities and the loss of hope for a better future are explored highlighting the profound impact on society Behind the Facade of Liberty exposes the failure of leadership where politicians driven by greed and self interest abandon their duty to serve the people Corruption and incompetence run rampant accountability and transparency are disregarded and the widening gap between leaders and the led creates disillusionment and distrust The plight of the common man is laid bare revealing the struggle and despair caused by economic inequality and the erosion of the middle class Poverty hopelessness and a loss of social mobility and opportunity become stark realities The book emphasizes the urgent need for change calling for a new political system economic reform social justice environmental action and a moral revolution It highlights the power of the people the potential of grassroots movements community organizing civic engagement education awareness and nonviolent resistance Behind the Facade of Liberty inspires hope for a better future envisioning a just and equitable society a sustainable and harmonious world and a future free from oppression It is a call to action urging individuals to recognize the urgency of the moment embrace their responsibility take individual and collective action and believe in their ability to make a difference If you like this book write a review *"Escaping the Facade of Freedom"* Elizabeth Heidelsen,2015-01-09 The US in Denial the Facade of Freedom From a gradual rise to totalitarianism the common 99% American is losing voice to systems under the influence of Supremacist control through courts ran under prosecutorial discretion The innocent incarcerated convicted on hearsay Disadvantaged citizens prosecuted by Supremacist representation without a fair trial Title IV Funding snowballing into prompted falsified documentation the termination of parental rights without substantiated reason of abuse or neglect Charity organizations 501C3s not offering tangible support to their represented victims yet primarily funding their employees trivial duties Culture being aligned with ill repute morals dysfunctional foundation The author stands up for defense of civil liberties while addressing the controversial viewpoints of both the conservative the left winged citizen Playing the devil s advocate to both sides of the coin to injustices denied liberties allows the reader to hone in on their personal beliefs perspectives regarding liberty inalienable rights as a citizen within the Civil Union Essentially three types of citizens are addressed Supremacists whose subconscious intentional motives are to torment other human beings denying their civil rights to the point of incarceration Abolitionists whose desire is to free our citizens from Supremacist enslavement the apathetic whose indifference is shattering America s well being as the Supremacist continues robbing the average American of civil liberties Forget the Republican verses the Democrat Ignore the
