The Fall Of Israel:

The Fall of Israel Dan Steinbock, 2025-01-01 The path to the obliteration of Gaza was paved by the confluence of a set of longstanding forces This great conjuncture has transformed Israel and the occupied Palestinian territories while driving the region to the edge In *The Fall of Israel* Dr Dan Steinbock connects the dots among these lethal headwinds What makes *The Fall of Israel* unique is its comprehensive scope It covers Israel s political economic social and military changes the shifts in the Palestinian struggle for sovereignty Israel s degradation into apartheid rule the attendant atrocities the regional and global reverberations and the human and economic costs both prior and subsequent to Israel s fatal war on Gaza There its nightmarish actions have led to the engagement of the International Court of Justice and the International Criminal Court renewed international boycotts and massive domestic and international protests *The Fall of Israel* outlines the central drivers of this simmering tinderbox the serial expulsions of Palestinians the expansion of Jewish settlements in the occupied territories a half century of failed U S diplomacy in the Middle East and Israel s militarization enabled by the symbiotic bilateral ties with the U S and massive U S military aid In the Gaza War these ties fostered paradigms of devastation such as the Dahiya doctrine and mass assassination factories backed by pioneering artificial intelligence The settlements have contributed to the destabilization of the broader region since the early 1970s and are now compounding its politico economic and geopolitical crisis This book addresses the efforts to institute a Jewish rather than a secular state It shows how the postwar labor alignments were replaced by the hard right coalitions thanks to U S neoliberal economic policies assertive neoconservatism and Jewish American donors It also explains the causes behind the rise of the Messianic far right centrist parties and the failure of the Left The corrosion of Israeli society and politics was already reflected in and driven by an economy constrained by adverse erosion as reflected by the liabilities of its high tech cluster the talent brain drain the threatened welfare state and subsidized religious sector But now the already evident politico economic costs to Israel of the Gaza war have set the stage for extraordinary uncertainty in the foreseeable future *The Fall of Israel* Barry Chamish, 1992

The Fall Feasts Of Israel Mitch Glaser, Zhava Glaser, 1987-08-08 Understanding the purpose and traditions of the Jewish feasts will give you a deeper appreciation for your God your heritage and the gift of redemption provided by the sacrificial death of Christ *The Fall Feasts of Israel* will help you understand three of Israel s most significant festivals Rosh Hashannah Yom Kippur and Sukkot A complete examination of each feast includes a look at its biblical institution its celebration in the time of Christ and its observances by Jews today The feasts and laws of the Lord were a tutor to lead the Israelites to the Savior the festivals find their fulfillment in Christ and His New Covenant This book will give you insight into what God originally intended for the sacrificial offerings *The Religion of Israel to the Fall of the Jewish State* Abraham Kuenen, Alfred Heath May, 2024-05-28 Reprint of the original first published in 1882 **The Religion of Israel to the Fall of the Jewish State** Abraham Kuenen, 1875 **The Religion of Israel to the Fall of the Jewish State** A. Kuenen, 1874

American Christian Support for Israel Eric R. Crouse, 2014-10-28 The dominant political theme of the State of Israel is the perpetual quest for security In its first 25 years Israel experienced five wars with Arab states declaring their goal to destroy Israel In American Christian Support for Israel Standing with the Chosen People 1948 1975 Eric R Crouse examines how American Christians responded to Israel s wars and the persistent threats to its security While some were quick to condemn Israel as it made difficult and unpopular decisions in its fight for survival in a hostile region conservative Christians were trustworthy supporters routinely voicing uplifting reports Crouse argues that Israel s embodiment of western ideals and its remarkable economic development gave conservative Christians good reasons to favor Israel in a troubled Middle East but the main reason for their unconditional support was the key biblical text of Christian Zionism I will bless those who bless you Abraham and his descendants and I will curse him who curses you Genesis 12 3

Trusting and Toiling on Israel's Behalf, 1904

The Legacy of Israel in Judah's Bible Daniel Fleming, 2012-07-30 This book offers a new way for biblical scholars and archaeologists to envision how the Bible s story relates to history It presents a fresh case for the urgency and interest of biblical study in historical context embracing the complications of a text collection with the messy history of transmission and uncertain knowledge of the past Focusing on structures of politics and society the analysis is situated in the broad study of antiquity so that ancient Israel may contribute to understanding problems in the classical world and other domains outside the Near East
