Marsilius of Padua, the Defender of Peace Marsilius (of Padua),Cary J. Nederman,2001 Few aspects of American military history have been as vigorously debated as Harry Truman s decision to use atomic bombs against Japan In this carefully crafted volume Michael Kort describes the wartime circumstances and thinking that form the context for the decision to use these weapons surveys the major debates related to that decision and provides a comprehensive collection of key primary source documents that illuminate the behavior of the United States and Japan during the closing days of World War II Kort opens with a summary of the debate over Hiroshima as it has evolved since 1945 He then provides a historical overview of thye events in question beginning with the decision and program to build the atomic bomb Detailing the sequence of events leading to Japan s surrender he revisits the decisive battles of the Pacific War and the motivations of American and Japanese leaders Finally Kort examines ten key issues in the discussion of Hiroshima and guides readers to relevant primary source documents scholarly books and articles **Marsilius of Padua and 'the Truth of History'** George Garnett,2006-06-29

This book reinterprets the great medieval thinker Marsilius of Padua who is conventionally considered to be ahead of his time as the first secular political theorist the first post classical thinker to espouse republicanism and a scholastic precursor of the republican humanists of the Renaissance George Garnett overturns this widely accept view and attempts to advance the first truly historical interpretation of Marsilius s thought BOOK JACKET **The Stolen Horse** Charles Forrest,1925 **The**
