The Haunted Camera:

The Haunted Camera Drac Von Stoller, 2012-05-23 Delbert Gray was an amateur photographer with a hunger for fame. The camera Delbert used was a cheap Kodak Instamatic. You can see why Delbert dreamed of owning a Nikon like his rich friend Michael. Michael would let his friend Delbert develop his pictures in his dark room while he was developing his own. Delbert envied Michael's photographs and would often close his eyes and daydream about being a famous photographer. Someday Delbert was only fifteen years old. He wasn't old enough to get a job like his friend Michael and bring in a big paycheck. As Michael was puffing on his cigarette in the dark room developing his film beside Delbert, Michael would often make remarks about Delbert's photographs and tell him if he wanted to take pictures like him, he needed to throw that cheap camera in the trash and buy one like his. Delbert replied with a lump in his throat, "You know I don't have a job and my parents wouldn't even consider buying me a camera such as yours." Michael replied, "You know something, Delbert, either you get a good quality camera or I'm going to ask you to stop developing your photographs in my dark room. Your photographs are pathetic." Delbert answered back in a sad tone of voice, "That wasn't a very nice thing to say to your friend. I know, but it's the truth, and sometimes the truth hurts." exclaimed Michael. "Well, let me tell you something, Michael. I'm going to own a camera like yours someday, and when I do, you'll be jealous of me," said Delbert in a stern voice. Delbert took his Instamatic camera and photographs with him and told Michael he wouldn't be back to see him until he found that special camera. Michael just laughed and said to Delbert, "Looks like I'll be in the old folks home when that happens." Delbert exited the dark room and slammed the door behind him, walked home, and threw his Instamatic camera at his bedroom wall. Delbert said, "What have I done now? I don't have a camera. What am I going to do now?" Delbert sat on his bed crying because he knew he had no way of replacing the Instamatic camera he had just broken. Delbert made up a story about how the camera broke, but his father just laughed and said, "Are you out of your mind? You'll be able to get a job in about a year, then you can buy yourself a new camera." Delbert's father turned away and told Delbert he didn't want to hear any whining about how he should buy him a new camera. Delbert yelled at his father saying, "But Dad, it was an accident." Delbert's father turned back around and kicked him in his rear end and slammed the door behind him. Delbert lay down on his bed and cried his eyes out the rest of the night. Morning came, and Delbert wiped the remaining tears from his cheeks. Delbert took a deep breath and said a prayer. Delbert decided instead of lying in bed all day sulking about why his friend Michael would be saying "I told you so," Delbert got dressed and grabbed an apple from the kitchen and a soda, headed down the road on foot in search of that special camera. As Delbert was walking around the town square, he came across an antique shop that had an old bellows camera in the display window. Delbert said to himself, "If I could just have that camera, I bet it would take better pictures than Michael's." Delbert slumped over with tears again flowing down his cheeks, knowing in reality there was no way he could afford such a beautiful camera. Just as Delbert was walking past the antique shop, an old man opened the door, came up to Delbert, and said, "I noticed you were looking at

that old camera in the window as if it belonged to you Delbert answered Yes Sir I was only wishing I knew in my heart I could not afford such a beautiful camera Besides I don't even have a job or any money to give you and my father told me the only way I could buy a new camera was to get a job next year By that time your camera would be gone and I would be heartbroken once more Well I better be on my way because if I don't get home soon my dad is going to whoop me Not so fast the old man said in a tender voice I've never had anyone come by my shop and want any of my antiques like you have I tell you what if you want the camera it's yours to keep Don't worry about the money your money is no good to me There's only one condition Bring me a copy of the photos you take I have a scrapbook that I would like to place them in That's all I ask of you What do you say Delbert answered back eagerly Yes Sir Delbert started crying because his prayer had been answered

The Haunted Camera George C. Shattuck, 2003-03 The book's opening vignette tells the story of Chris a seventy four year old Dutchman mentor and friend to a co worker named Peter They spend a summer together digging graves at a local cemetery known as Sunny Acres where Chris encourages Peter to Hear the birds sing and Never Waste the Flowers This spirit of practical gentleness sets the tone for the twenty four vignettes that follow and cover childhood memories fantasies and simple life stories There is something for everyone in this diverse collection about people and life's simple gifts involving love learning friendship and trust that encourage introspection particularly your own **Ghost Camera** Darcy

The Haunted Camera Introduction

In today's digital age, the availability of The Haunted Camera books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of The Haunted Camera books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of The Haunted Camera books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing The Haunted Camera versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, The Haunted Camera books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing The Haunted Camera books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for The Haunted Camera books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the

Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, The Haunted Camera books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of The Haunted Camera books and manuals for download and embark on your journey of knowledge?
