with the heart which underscores the importance of affective intelligence and tlaixpan that which is in front which presents the past as lying ahead of a subject rather than behind The views of ixtlamatlistli yoltlajlamikilistli and tlaixpan are key in Nahua struggles and effectively challenge those who attempt to marginalize Native knowledge production *The school of the heart, or The heart of itself gone away from God brought back again to him and instructed by him*, by Francis Quarles [really by C.
