The Hebrew Genius As Exhibited In The Old Testament:

The Intellectual Adventure of Ancient Man Henri Frankfort, H.A. Frankfort, Thorkild Jacobsen, William A. Irwin, 2013-06-28 The people in ancient times the phenomenal world was teeming with life the thunderclap the sudden shadow the unknown and eerie clearing in the wood all were living things This unabridged edition traces the fascinating history of thought from the pre scientific personal concept of a humanized world to the achievement of detached intellectual reasoning The authors describe and analyze the spiritual life of three ancient civilizations the Egyptians whose thinking was profoundly influenced by the daily rebirth of the sun and the annual rebirth of the Nile the Mesopotamians who believed the stars moon and stones were all citizens of a cosmic state and the Hebrews who transcended prevailing mythopoeic thought with their cosmogony of the will of God In the concluding chapter the Frankforts show that the Greeks with their intellectual courage were the first culture to discover a realm of speculative thought in which myth was overcome **The Menorah Journal** ,1928 *The Antiquaries Journal* ,1928 *Our Father Abraham* Marvin R. Wilson, 2021-06-29 Although the roots of Christianity run deep into Hebrew soil many Christians remain regrettably uninformed about the rich Jewish heritage of the church Our Father Abraham delineates the vital link between Judaism and Christianity exemplified by the common ancestry of the two faiths traceable back to Abraham Marvin Wilson calls Christians to reexamine their Semitic heritage to regain a more authentically biblical understanding of what they believe and practice Wilson a trusted voice among both Jews and Christians speaks to both past and present first developing a historical perspective on the Jewish origins of the church and then discussing how the church can become more attuned to the Hebraic mindset of Scripture Drawing from his own extensive experience he also offers valuable practical guidance for salutary interaction between Christians and Jews Discussion questions at the end of each chapter make this book especially suitable for use in groups Christian Jewish or interfaith as readers strive to make sense of their own faith in connection with the other The second edition of Our Father Abraham features a new preface an expanded bibliography of recent relevant works and two new chapters one that discusses Jewish Christian relations after the Holocaust and another that reflects on Wilson's own fifty plus year career as an evangelical Christian deeply committed to interfaith dialogue As Christians and Jews feel a growing need for mutual support in an increasingly secular Western world Wilson's widely acclaimed book will offer encouragement and wise guidance toward this worthy end *The Form and Function of Proverbs in Ancient Israel* John M. Thompson, 2020-10-12 No detailed description available for The Form and Function of Proverbs in Ancient Israel **The Jewish Center** ,1929 *The Congregational Quarterly* ,1927 Includes critical reviews **How the Bible Defines: Election** Caleb Bulow, 2018-10-11 How the Bible Defines Election It is not uncommon to find the word election defined in a Bible dictionary as chosen by God for salvation or something similar Many dictionaries and lexicons include an alternate definition choice select best in its class A close look at the New Testament will reveal a number of passages where this word occurs without a clear indication of the intended definition In these passages

how are we to determine which was the intended meaning The Greek Old Testament is an often overlooked resource that provides rich scriptural contexts from which to derive the meaning of key biblical words You are cordially invited to embark on an exploration of Old Testament stories and passages that contain election Along the way you will see what the inspired writers meant when they used the word in certain stories such as that of Korah s rebellion and of the remnant in Isaiah s prophecy By the end you just might find that one of the above definitions has no basis within the pages of scripture Fixing the Indemnity Iain D. Campbell, 2007-09-01 Sir George Adam Smith 1856 1942 was one of the leading Old Testament scholars in the late nineteenth and early twentieth century Scottish church As Free Church minister of Queen s Cross Aberdeen 1882 92 Professor of Old Testament Language and Literature at the Free Church College Glasgow 1892 1910 and Principal of Aberdeen University 1910 1935 he popularized modern criticism of the Old Testament He was determined to show how such an approach to the Bible was compatible with evangelical faith a position that never sat easily with the confessional position of the Scottish church and the story of Smith s life is an investigation into the relationship between biblical scholarship and evangelical faith In this new biography Campbell has made extensive use of primary material including Smith s letters and journals to fill a gap in the literature on events within the Scottish church in the late nineteenth and early twentieth century This critical biography will be of use both to students of Scottish church history and students of Old Testament criticism as well as raising issues that are of continuing importance for all who believe in confessional Christianity as well as in scholarly study of the biblical text *Year Book of the Central Conference of American Rabbis* Central Conference of American Rabbis, 1928 Containing the proceedings of the convention
