Banker, 2018-09-17 Ferenc Morton Szasz was a lifelong student who became a professor of history at the University of New Mexico As a one year appointment at the Albuquerque campus evolved into a forty year career Szasz glimpsed the predictable unpredictability that he would eventually discern as one of history's most enduring and elusive traits The connections and consequences along the way forged a truly exceptional life and career A master of the United States history survey Szasz enthralled and inspired tens of thousands of students with energy enthusiasm provocative insights and good will Ambitious undergraduates regularly vied with graduate students for coveted seats in his upper level courses where he offered insights into World War II American religious history and popular culture Szasz's interests he insisted were the ideas of the people and how they shift over time In an era when historical scholarship became increasingly specialized he pursued an eclectic array of research interests and challenged his doctoral students to do the same The ten selections of Szasz's writings that are the primary content of this volume balance insights into history's great moments with attention to events and details often overlooked by more conventional historians Szasz's crisp accessible prose reveals both the unique and universal in the human experience and offers heartfelt glimpses into humanity's paradoxical promises and perils Back cover **Of America East and West** Paul Horgan, 1985-07 No historian writes with such command of language or feeling for human nature The difference is his luminous imagination as Henry Steele Commager observes in the introduction to the newest Horgan volume *Of America East West* a sumptuous selection from fifteen of the earlier works many of which have been long out of print I began reading Paul Horgan more than twenty years ago and he has given me no end of pleasure ever since Whether in fiction history or biography he is a writer of large vision and manysidedness He can be serene funny elegant earthy and lyrical He can range across art opera politics natural history military history and intellectual history Narrative energy suffuses everything he writes But it is his gift of empathy that lifts his work to the level of art and gives the history he writes reality **Lamy of Santa Fe** Paul Horgan, 2015-07-08 Winner of the Pulitzer Prize for History 1976 The extraordinary biography of a pioneer hero of the frontier Southwest from the author of *Great River* Originally published in 1975 this Pulitzer Prize for History winning biography chronicles the life of Archbishop Jean Baptiste Lamy 1814-1888 New Mexico's first resident bishop and the most influential reform minded Catholic official in the region during the late 1800s Lamy's accomplishments including the endowing of hospitals orphanages and English language schools and colleges formed the foundation of modern day Santa Fe and often brought him into conflict

with corrupt local priests His life story also the subject of Willa Cather's *Death Comes for the Archbishop* describes a pivotal period in the American Southwest as Spanish and Mexican rule gave way to much greater influence from the United States and Europe Historian and consummate stylist Paul Horgan has given us a chronicle filled with hardy often extraordinary adventure and sustained by Lamy's magnificent strength of character Lamy of Santa Fe stands as a beacon in American biography James M Day author of *Paul Horgan Lamy of Santa Fe* is a classic work Not only is the research exemplary but so is the narrative artistry the work of history as art Robert Gish author of *Nueva Granada Paul Horgan and the Modern Southwest* Historians and general readers as well seeking vivid portrayal of the Southwest's political social and cultural traditions will find this book rewarding the historical and literary heritage of Americans in general will be the richer for Mr Horgan's painstaking effort *Southwestern Historical Quarterly* Four Trails to Valor Dorothy Cave, 2007-02 Here are four men representing the dominant cultures of the American Southwest who set their feet upon trails which follow the physical and metaphysical journeys of their forefathers the Pueblos Cornmeal Path the Navajo Beautyway the Spanish Way of the Cross and the Yankee Trail of Destiny All lead to the great fact of the past century World War II in which each man blazes his own trail in his country's greatest crisis Each carries to war his people's pride and his father's faith Through the jungles of Bataan the bloody battles of Tarawa and Iwo Jima across the deserts of North Africa and the formidable Italian mountain chain each carries his bits of home medicine bundle or crucifix sacred cornmeal or pocket Bible and each clings to the mystic thread that will bring him home At journey's end the circle closes as each man each race each reader must speculate on the untrodden paths ahead leaving them and us with profound perhaps painful questions and a deeper understanding of man's relation to man and to the trinity of Earth Sky and Water

image in Bless Me Ultima is open to multiple interpretations. It echoes the manifold meanings the contributors to this volume reveal in Anaya's boundlessly imaginative literature. The Forked Juniper illuminates both the artistry of Anaya's writings and the culture, history, and diverse religious traditions of his beloved Nuevo Mexico.
