The Adventures Of Danny The Cork Man:

The Adventures of Danny the Cork Man Attila Kocs,2003-09 **Adventures in Nowhere** John Ames,2013-09-01 Before Disney and far from the palm lined Florida beaches ten year old Danny Ryan is transplanted to a tiny community on the hyacinth choked Hillsborough River outside Tampa a place his older sister calls Nowhere But for Danny and his best friend the irrepressible Alfred Bagley whose fondest desire is to grow up to be a junk dealer Nowhere is where adventures lurk and lure them into more trouble than they can handle More trouble is not what Danny needs as he copes with a family that includes a father sinking into schizophrenia two sisters one very ill and the other ready to run away with a shady boyfriend and a mother trying her best to hold it all together Yet Danny keeps his good humor seeking escape on the nearby Hillsborough River or in the little community of Sulphur Springs But Danny s adventures take a fateful turn when he begins seeing a mysteriously changing house across the hyacinth choked Hillsborough Is he going crazy like his father With the help of a small band of quirky but faithful allies Danny searches for and finds himself **Adventures in Nowhere** paints a compelling imaginative and often humorous vision of a time a place and a way of growing up allowing a reader to live for a while in the mind of a remarkably thoughtful and intense boy caught at the final edge of childhood **The Gambler King of Clark**

Street Richard C Lindberg,2009-06-12 **The Gambler King of Clark Street** Michael C McDonald and the Rise of Chicago s Democratic Machine tells the story of a larger than life figure who fused Chicago s criminal underworld with the city s political and commercial spheres to create an urban machine built on graft bribery and intimidation In this first ever biography of McDonald author Richard C Lindberg vividly paints the life of the Democratic kingmaker against the wider backdrop of nineteenth century Chicago crime and politics Twenty five years before Al Capone s birth Michael McDonald was building the foundations of the modern Chicago Democratic machine By marshaling control of and suborning a complex web of precinct workers ward and county bosses justices of the peace police captains contractors suppliers and spoils men the undisputed master of the gambling syndicates could elect mayoral candidates finagle key appointments for political operatives willing to carry out his mandates and coerce law enforcement and the judiciary The resulting machine was dedicated to the supremacy of the city s gambling vice and liquor rackets during the waning years of the Gilded Age McDonald was warmly welcomed into the White House by two sitting presidents who recognized him for what he was the reigning boss of Chicago In a colorful and often riotous life McDonald seemed to control everything around him everything that is except events in his personal life His first wife the fiery Mary Noonan McDonald ran off with a Catholic priest The second Dora Feldman twenty five years his junior murdered her teenaged lover in a sensational 1907 scandal that broke Mike s heart and drove him to an early grave Michael McDonald s name has long been cited in the published work of city historians members of academia and the press as the principal architect of a unified criminal enterprise that reached into the corridors of power in Chicago Cook County the state of Illinois and all the way to the Oval Office **The Gambler King of Clark**
