The African Poison Murders:

The African Poison Murders Elspeth Huxley, 1981 Set in a farming community in 1930s colonial East Africa *Mysteries of Africa* Eugene Schleh, 1991 Using the highly popular genre of detective mystery fiction this volume explores the insights available in African centered stories The sample of writings used ranges from the colonial era to the present and covers the work of both Africans and outside observers from Europe and North America **BOOKJACKET** **The Encyclopedia of Murder and Mystery** B. Murphy, 1999-12-09 Bruce Murphy's Encyclopedia of Murder and Mystery is a comprehensive guide to the genre of the murder mystery that catalogues thousands of items in a broad range of categories authors titles plots characters weapons methods of killing movie and theatrical adaptations What distinguishes this encyclopedia from the others in the field is its critical stance **The Novel in Africa and the Caribbean Since 1950** Simon Gikandi, 2016 The Novel in Africa and the Caribbean since 1950 examines the institutional and social peculiarities that make fiction produced in Africa and the Atlantic World since 1950 important to the history of the novel in English Design for Murder Carolyn Hart, 2010-02-17 The show must go on When mystery bookstore owner Annie Laurance is invited to stage a Mystery Night for the annual antebellum house tour of the Historical Preservation Society of Chastain South Carolina she instead finds herself the leading lady in a flesh and blood drama The play's the thing wherein the curtain falls on mean spirited grande dame Corinne Webster While jeweled fingers point accusing Annie of murder the perpetrator lurks within the genteel cast of Murder Most Make Believe and the murder weapon is one of the props In the tight laced society of Chastain Annie is guilty until proven innocent With her fiance Max Darling Annie pieces together evidence to clear her name until her chief witness is murdered Now it will take all her sleuthing skills to discover the evil in the heart of Chastain's Beautiful People **Death on Demand/Design for Murder** Carolyn Hart, 2011-09-07 This delightfully intriguing pair of full length mysteries by award winning author Carolyn G Hart delivers a novel approach to murder that is sure to enthrall you until the last killer is caught Death on Demand At Annie Laurance's Death on Demand bookstore in Broward's Rock South Carolina the finest mystery bookstore north of Miami murder suddenly isn't confined to the shelves An author's abrupt demise during a gathering of famous mystery writers is proof positive that a bloody sword is sometimes mightier than a brilliant pen But now Annie is in the unenviable position of prime suspect which means that she and her wealthy paramour Max Darling must unmask a brutal and ingenious killer For Annie failing could mean prison while success could mean her death Design for Murder When Annie stages a Mystery Night for Chastain South Carolina's annual antebellum house tour she finds herself the lead in a deadly drama wherein the curtain falls on a mean spirited grande dame But while fingers point at Annie as the murderer the perpetrator lurks within the cast of Murder Most Make Believe Guilty until proven innocent Annie hopes to clear her name with Max's help until her chief witness is killed Now it will take all of Annie's sleuthing skills to unmask the evil in the hearts of Chastain's Beautiful People **Historicizing Colonial Nostalgia** P. Lorcin, 2011-12-15 Comparative study of the

writings and strategies of European women in two colonies French Algeria and British Kenya during the twentieth century Its central theme is women s discursive contribution to the construction of colonial nostalgia The White Spaces of Kenyan Settler Writing Terrence L. Craig,2017-03-27 The White Spaces of Kenyan Settler Writing provides an overview of Kenyan literature by white writers in the half century before Independence in 1964 Such literature has been over shadowed by that of black writers to the point of critical ostracism It deserves attention for its own sake as the expression of a community that hoped for permanence but suffered both disappointment and dispossession It deserves attention for its articulation of an increasingly desperate colonial and Imperial situation at a time when both were being attacked and abandoned in Africa as in other colonies elsewhere and when a counter discourse was being constructed by writers in Britain as well as in Africa Kenya was likely the best known twentieth century colony for it attracted publicity for its iconic safaris and its Happy Valley scandals Yet behind such scenes were settlers who had taken over lands from the native peoples and who were trying to make a future for themselves based on the labour willing or forced of those people This situation can be seen as a microcosm of one colonial exercise and can illuminate the historical tensions of such times The bibliography is an attempt to collect the literary resources of white Kenya in this historically significant period *The British Empire* Mark Doyle,2018-06-29 An essential starting point for anyone wanting to learn about life in the largest empire in history this two volume work encapsulates the imperial experience from the 16th 21st centuries From early sixteenth century explorations to the handover of Hong Kong in 1997 the British Empire controlled outposts on every continent spreading its people and ideas across the globe and profiting mightily in the process The present state of our world from its increasing interconnectedness to its vast inequalities and from the successful democracies of North America to the troubled regimes of Africa and the Middle East can be traced in large part to the way in which Great Britain expanded and controlled its empire The British Empire A Historical Encyclopedia addresses a broader range of topics than do most other surveys of the empire covering not only major political and military developments but also topics that have only recently come to serious scholarly attention such as women s and gender history art and architecture indigenous histories and perspectives and the construction of colonial knowledge and ideologies By going beyond the headline events of the British Empire this captivating work communicates the British imperial experience in its totality The Essential Mystery Lists Roger M Sobin,2011-09-30 For the first time in one place Roger M Sobin has compiled a list of nominees and award winners of virtually every mystery award ever presented He has also included many of the best of lists by more than fifty of the most important contributors to the genre Mr Sobin spent more than two decades gathering the data and lists in this volume much of that time he used to recheck the accuracy of the material he had collected Several of the best of lists appear here for the first time in book form Several others have been unavailable for a number of years Of special note are Anthony Boucher s Best Picks for the Year Boucher one of the major mystery reviewers of all time reviewed for The San Francisco Chronicle Ellery Queen Mystery Magazine and The New York

Times From these resources Mr Sobin created Boucher's Best and Important Lists to Consider lists that provide insight into important writing in the field from 1942 through Boucher's death in 1968 This is a great resource for all mystery readers and collectors Winner of the 2008 Macavity Awards for Best Mystery Nonfiction
