

THE ALLERGY

THE ALLERGY CONNECTION

Do you get headaches, stomach pains, aching joints?
Are you always dieting, yet never lose weight?

Do you wheeze, have skin or bladder problems, wake sweating?

Are you permanently exhausted, moody, depressed?
Are your children hyperactive, screaming, refusing to sleep?

Then you — and they — could be among the millions made ill by food and chemical allergies.

Zoltan P. Rona, 1997 If parents only knew the options they have when it comes to treating their children's chronic illnesses But most never make the connection between illness and allergies So they continue relying only on mainstream medicine hiding the symptoms ignoring the causes Now bestselling author Zoltan P Rona M D makes the connection for parents In his latest book Childhood Illness and the Allergy Connection he provides alternative and complimentary options for effectively curing and preventing asthma chronic ear infections hyperactivity and behavioral disorders in their children Childhood Illness and the Allergy Connection empowers parents to stop putting their child's health solely in the hands of drugs allergy shots and other chemically intensive therapies It tells readers what they need to know about Taking the traditional view of childhood allergies several steps further Identifying and treating food allergies Rescuing their children from the dangerous and repetitious prescription cycle Utilizing natural treatments for allergy connected illnesses Dealing effectively with conventional doctors and medical politics The Long Search Kathryn Lausevic, 2010 This book tells the

story of my search for help for rheumatoid arthritis without using any drugs as I was aware that all drugs have side effects I

was on four the strongest at one time What I discovered enabled me to dispense with these one by one In addition to diet and supplements there were many other sources of help which have been invaluable over the years since I first started with this disease Self healing is hard work The first thing to do is to take personal responsibility for yourself You learn what is best for your body what it needs You also have to look at anything which is hindering your progress in healing Sometimes you need to change something in your life This is not always easy or possible If we cannot change something we have to learn to accept it The next thing is to be as pure and free from toxins as possible by regular detoxification methods as described in the book What you eat and drink is of paramount importance Diet is described food should be as uncontaminated by additives pesticides colorings and chemicals as is possible The diet should be mainly alkaline Animal fat causes stiffness and pain Fresh vegetables and salads should constitute a large part of the diet Food supplements play a large part in a healing programme for arthritis Complementary therapies are useful and beneficial Other important factors include regular exercise correct breathing and fresh air Personally I have found these to be invaluable yoga relaxation and meditation Spiritual healing is often very successful The importance of your mind cannot be over emphasized your thoughts can change your life bringing peace and harmony which lead to the healing of mind body and spirit *Smart Food* Arthur Winter,2007-03 The latest information on how foods vitamins and minerals can activate your brain body potential and affect all aspects of your daily life from sleep patters to mood swings to productivity on the job It seems as if every week there is a new study done on the food we eat and how it affects our health In *Smart Food* Dr Arthur Winter a neurosurgeon and the director of the New Jersey Neurological Institute and veteran science writer Ruth Winter get a handle on the critical impact foods have on the way we think feel and behave Armed with the most current information *Smart Food* demystifies the brain food link and provides you with the tools to balance and strengthen both brain and body *Smart Food* is an easy to read sourcebook with up to date information including Herbal supplements that may energize and stimulate brain function New Information on what makes us crave the foods we crave and how to curb constant cravings Nutritional supplements that may maintain brain alertness and activity even under stress Current evidence that suggests there may be a separate brain in your belly that functions independently of the brain in your head And much more *An Alternative Medicine Guide to Arthritis* Ellen Kamhi,Eugene R. Zampieron,2012-05-09 This indispensable reference features the latest alternative approaches to diagnosing treating and preventing arthritis It also details how to pinpoint the underlying factors leading to arthritis and includes proven and nontoxic ways to heal or manage arthritis naturally and without the risk of serious side effects A completely updated and expanded guide to alternative treatments for arthritis Covers supplement therapy organ detoxification regimes and immune system boosters to relieve joint pain stiffness and inflammation From the creators of *Alternative Medicine* magazine and *THE ALTERNATIVE MEDICINE DEFINITIVE GUIDE* which has sold 650 000 copies
