

ELECTION OF 1980

Reagan (Republican)
489 electoral votes

Carter (Democratic)
49 electoral votes

The American Elections Of 1980

Daniel M. Shea, Brian M. Harward

The American Elections Of 1980:

Presidential Elections Nelson W. Polsby, Aaron B. Wildavsky, David A. Hopkins, 2008 Brimming with data and examples from the heated 2004 election and laced with previews of 2008 the twelfth edition of this classic text offers a complete overview of the presidential election process from the earliest straw polls and fundraisers to final voter turnout and exit interviews The newest edition s comprehensive coverage includes campaign strategy with overviews of the changes in campaign finance and the growing role of the Internet Also the twelfth edition explores the effect of the forward creeping presidential nomination process and the sequence of electoral events All of these aspects and the issues themselves are discussed by a wide array of actors in the electoral process voters interest groups political parties the media and the candidates themselves The twelfth edition is a timely update to this essential text on American elections

The American Elections of 2012 Janet M. Box-Steffensmeier, Steven E. Schier, 2013-05-29 The 2012 American elections were highly competitive with the unusually close partisan balance making the elections an opportunity for each of the two major parties This book assembles leading political scientists and political journalists to explain the 2012 election results and their implications for America s future In addition to assessing election results the book examines the consequences of the large ambitions of the Obama presidency and the political and policy risks entailed in the pursuit of those ambitions It also explores Congressional elections and policymaking since 2008 and how they affected election results in 2012 The book promises a more coherent focus than that evident in similar edited works achieved through a limited number of chapters and clear definition of chapter content

[US Presidential Elections and Foreign Policy](#) Andrew Johnstone, Andrew Priest, 2017-05-05 While domestic issues loom large in voters minds during American presidential elections matters of foreign policy have consistently shaped candidates and their campaigns From the start of World War II through the collapse of the Soviet Union presidential hopefuls needed to be perceived as credible global leaders in order to win elections regardless of the situation at home and voter behavior depended heavily on whether the nation was at war or peace Yet there is little written about the importance of foreign policy in US presidential elections or the impact of electoral issues on the formation of foreign policy In US Presidential Elections and Foreign Policy a team of international scholars examines how the relationship between foreign policy and electoral politics evolved through the latter half of the twentieth century Covering all presidential elections from 1940 to 1992 from debates over American entry into World War II to the aftermath of the Cold War the contributors correct the conventional wisdom that domestic issues and the economy are always definitive Together they demonstrate that while international concerns were more important in some campaigns than others foreign policy always matters and is often decisive This illuminating commentary fills a significant gap in the literature on presidential and electoral politics emphasizing that candidates positions on global issues have a palpable impact on American foreign policy

The Routledge Historical Atlas of Presidential Elections Yanek Mieczkowski, 2020-12-29 Now in its second edition

The Routledge Historical Atlas of Presidential Elections covers each race for the presidency with brisk lively narratives up to the election of 2016 Filled with more than 100 full color maps and illustrations this updated volume is an indispensable resource for learning about the suspense filled races to gain America s highest office Distinguished presidential historian Yanek Mieczkowski captures intriguing details about candidates issues and campaigns allowing readers to experience the drama of every contest The colorful maps that put state by state results at readers fingertips show geographic voting trends during the country s history The presidency is America s greatest political prize and this book describes how candidates have won it including changes in electoral strategies and campaign practices over the years This text offers a treasure trove of historical information such as The early tradition of the mute candidate The period where just one effective political party existed nationwide One race that witnessed an astounding 80 percent voter turnout A popular vote victory of 39 9 percent that triggered secession The emergence of the front porch campaign A third party candidate who got more votes than the incumbent president The impact of radio television and the Internet on the election process This book is essential reading for students of American history and the U S presidency

Encyclopedia of U.S. Campaigns, Elections, and Electoral Behavior Kenneth F. Warren, 2008-04-04 Overall a first rate resource and yes pleasantly readable School Library Journal The Encyclopedia of U S Campaigns Elections and Electoral Behavior covers virtually everything one would want to know about American political campaigns With more than 450 entries these two comprehensive volumes present a significant array topics of campaigns elections and electoral behavior The encyclopedia s diverse content shows that although the subject matter of campaigns elections and electoral behavior is inherently related each topic has a distinct focus Key Features Presents topics in a straightforward easy to understand manner intentionally avoiding unnecessary technical language Includes entries written by electoral behavior scholars from around the country Focuses on American campaigns elections and electoral behavior but also provides a culturally and politically diverse perspective of American democratic practices and institutions Offers a rich campaign history by looking at many colorful candidates corrupt yet intriguing political machines rapidly changing technologies campaign organizations and strategies Provides a description and scholarly analysis for all presidential elections including state and general elections Presents and simplifies complicated election laws that govern federal state and local elections Examines various efforts throughout the decades to reform elections especially from social upheaval and the resulting political realignments Includes extensive electoral research into the development of political opinions attitudes and ideologies in American voters Key Themes Ballot Issue Campaigns Campaigns Elections and the Law Corruption in American Campaigns and Elections Electoral Behavior of Various Groups Local Campaigns and Elections Media s Role in American Campaigns and Elections People Political Parties Interest Groups and American Campaigns and Elections Political Theory and Democratic Elections in America Polls Public Opinion and Campaigns and Elections Presidential Campaigns and Elections Reforming American Campaigns and Elections Running Political Campaigns

Management Organization and Strategies Social and Psychological Dynamics of Electoral Behavior State and Congressional Campaigns and Elections History and State Profiles The Encyclopedia of U S Campaigns Elections and Electoral Behavior is an especially useful reference published to coincide with the 2008 presidential election This informative yet intriguing resource is a welcome addition to any academic or public library **Elections in America** Kay Lehman

Schlozman, 2024-11-01 First published in 1987 Elections in America focuses upon different substantive aspects of elections in America The essays in the volume orient themselves differentially with respect to these alternative perspectives on the role of elections in democratic governance Although varied in substantive focus methodological approach and theoretical orientation these essays critically examine what we think we know about elections in America and bring together both past and present to bear on the investigation of the continuing evolution of the role played by elections in American democracy Divided into five parts the elections as a democratic institution party reform and the nomination process the electronic campaign money and politics and the 1984 elections this book is a must read for students and researchers of political science particularly of American politics *Presidential Elections, 1789-2008* Donald Richard Deskins, Hanes Walton, Sherman C. Puckett, 2010 Hanes Walton Donald Deskins and Sherman Puckett have produced a highly impressive collection and valuable contribution to the literature on American electoral politics This work is indispensable for academic libraries political scientists historians and serious students of American government Immanuel Ness Professor Department of Political Science Brooklyn College City University of New York Massive amounts of information about presidential elections which are not readily available elsewhere Unprecedented coverage in one volume of every single American presidential election James Gimpel Professor of Government University of Maryland This is an extraordinary research endeavor the most comprehensive set of aggregate election data ever assembled Painstakingly researched this color coded volume presents data for every presidential election from 1789 to 2008 Unlike most the wide ranging narrative for this atlas identifies racial patterns in the vote Everyone who studies or is interested in presidential elections should have this impressive collection of statistical data in their libraries A visual gem for the digital age Robert Smith Professor of Political Science San Francisco State University Presidential Elections 1789 2008 is a genuine tour de force that captures in an extremely accessible and comprehensive way the electoral geography of America s presidential elections from Washington to Obama An invaluable addition to the library of all those interested in presidential elections and U S politics Marion Orr Frederick Lippitt Professor of Public Policy and Professor of Political Science Brown University This volume sets an extraordinarily high standard in scholarship completeness description and explanation of our political process It has been said that all politics are local but never before has this been demonstrated with such clarity and panache using the simple method of standardized tables summarizing voting then showing state and county breakdowns of the numbers greatly strengthened by beautiful full color maps and cartograms Every scholar of politics and democracy will benefit from the work laid out in this volume Keith Clarke Professor of

Geography University of California Santa Barbara Presidential Elections is an almanac of the popular vote in every presidential election in American history analyzed at the county level with histories of each campaign graphs and stunning four color maps Most Americans are familiar with the crude red state blue state maps used by commentators and campaign strategists and even for want of an alternative by many academics In providing a higher resolution view of voting behavior the authors of this new volume enable examination of local and regional political trends that are invisible in state level aggregations Presidential Elections will enable scholars to more subtly analyze voting behavior campaigns and presidential politics commentators will use it to analyze trends and trace the historical evolution of new coalitions and voting blocs strategists will use it to plan campaigns and mobilize constituencies Presidential Elections will become the standard almanac on the subject a required resource for academic and public libraries as well as for scholars consultants and pundits nationwide Donald R Deskins Jr is a political geographer and Emeritus Professor of Sociology and a former Associate Dean of the Horace H Rackham School of Graduate Studies at the University of Michigan Hanes Walton Jr is Professor of Political Science at the University of Michigan He also holds positions as Senior Research Scientist at the Center for Political Studies and as a faculty member in the Center for Afroamerican and African Studies Sherman C Puckett is a Ph D graduate of the University of Michigan in urban and regional planning He was a mayoral appointee in the data processing department of the Coleman A Young administration in the City of Detroit and recently retired from Wayne County government as manager of technology geographic information systems and development of maintenance management systems

Parties and Elections in America Mark D. Brewer, L. Sandy Maisel, 2015-10-16 This classic text provides an in depth examination and history of American political parties and their critical role in representative democracy at the local state and national levels Focused on the continued evolution and significance of parties in the American political system separate chapters are devoted to key topics such as the impact of social media in the electoral process and recent developments in campaign finance The seventh edition fully incorporates the results of the 2012 presidential election and the 2014 midterm elections as well as the impact of the Tea Party within the Republican party and important demographic shifts in the American electorate

The Illusion of a Conservative Reagan Revolution Larry M. Schwab, 2016-06-09 This book presents a provocative perspective on the impact of the Reagan administration Many political commentators both liberal and conservative argue that the 1980s was a period of fundamental conservative change Some of them believe the changes have been so important that the 1980s should be seen as a watershed period in American political history as significant as the 1930s Schwab denies this thesis and points out that politics and policy did not fundamentally change in a conservative direction Instead he demonstrates how policy developments and the political system actually moved in the opposite direction In the realm of public opinion Schwab points out that sentiment tends to shift toward the left rather than the right Support for social and environmental programs remained high and even increased during the Reagan era whereas support for defense programs

dropped to a near record low Instead of a New Right conservative shift in public opinion on social issues Americans became more liberal on women s rights minority rights and sexual behavior issues Schwab s critique extends as well to Reagan s political success and popularity Rather than being one of the most successful presidents in leading Congress he was one of the least successful His conservative ideology lessened support for him among many voters and congressional liberals gained more voter support during the 1980s elections than conservatives

Presidential Campaigns Daniel M. Shea, Brian M. Harward, 2013-10-31 Combining primary sources with expert commentary this timely book probes critical moments in U S presidential elections in the last 20th and early 21st centuries empowering readers to better understand and analyze the electoral process *Presidential Campaigns Documents Decoded* illuminates both the high stakes of a presidential campaign and the gaffes controversies and excesses that often influence the outcome With a view to enabling readers to develop skills essential to political literacy the book examines crisis points in modern presidential elections from the early 1950s through the late 2000s Chronologically organized the study focuses on key events pertinent to each election It provides an original account of the event such as a debate transcript or news report as well as a discussion detailing how the issue emerged and why it was important This unique and engaging approach enables students to experience the actual source material as voters might have At the same time it shows them how an expert views the material facilitating a deeper understanding of the narratives every presidential campaign constructs around its candidates its party and its opponents

The American Elections Of 1980 Introduction

In the digital age, access to information has become easier than ever before. The ability to download The American Elections Of 1980 has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download The American Elections Of 1980 has opened up a world of possibilities. Downloading The American Elections Of 1980 provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading The American Elections Of 1980 has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download The American Elections Of 1980. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading The American Elections Of 1980. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading The American Elections Of 1980, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download The American Elections Of 1980 has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About The American Elections Of 1980 Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. The American Elections Of 1980 is one of the best book in our library for free trial. We provide copy of The American Elections Of 1980 in digital format, so the resources that you find are reliable. There are also many Ebooks of related with The American Elections Of 1980. Where to download The American Elections Of 1980 online for free? Are you looking for The American Elections Of 1980 PDF? This is definitely going to save you time and cash in something you should think about.
