David M. Althoen

The English Nation The Great Myth:

The English Nation Edwin Jones, 2003 In this reinterpretation of the history of England Edwin Jones reveals that a false view of the English past created during the reign of Henry VIII became one of the most powerful influences on English outlook and behaviour

The Faith of the English Nigel Rooms, 2012-03-29 How Christian are the English How English is their Christianity These questions are probed by Nigel Rooms in a book which is both readable and scholarly If England is a mission field how is Christian faith to be understood by the English And how are English Christians to become aware of the links and the tensions between their own culture and their faith This book is important reading for Christians in search of self understanding for all who seek for a renewal of Christian faith in England and for the many English people who are curious about the part that Christian faith continues to play in the national culture John M Hull Emeritus Professor of Religious Education University of Birmingham

That Noble Quest David M. Althoen, 2000 [Tennyson and the Fabrication of Englishness](#) M. Sherwood, 2013-03-05 Through an examination of Tennyson's domestic poetry his portrayals of England and the English in their changing nineteenth century context this book demonstrates that many of his representations were fabrications more idealized than real which played a vital part in the country's developing identity and sense of its place in the world

Fortunes of History Donald R. Kelley, 2008-10-01 In *Fortunes of History* Donald R Kelley offers an authoritative examination of historical writing during the long nineteenth century the years from the French Revolution to those just after the First World War He provides a comprehensive analysis of the theories and practices of British French German Italian and American schools of historical thought their principal figures and their distinctive methods and self understandings Kelley treats the modern traditions of European world and national historiography from the Enlightenment to the new histories of the twentieth century attending not only to major authors and schools but also to methods scholarship criticisms controversies ideological questions and relations to other disciplines

[The Making of Englishmen](#) Hilary M. Larkin, 2013-10-10 *Making the Englishmen* offers an account of how national identities were construed and contested in the post Reformation public sphere 1550 1650

The Catholic Church Through the Ages John Vidmar, 2014

Englishmen Transplanted Larry Dale Gragg, 2003 Larry Gragg challenges the prevailing view of the seventeenth century English planters of Barbados as architects of a social disaster Most historians have described them as profligate and immoral as grasping capitalists who exploited their servants and slaves in a quest for quick riches in the cultivation of sugar Yet they were more than rapacious entrepreneurs Like English emigrants to other regions in the empire sugar planters transplanted many familiar governmental and legal institutions eagerly started families abided traditional views about the social order and resisted compromises in their diet apparel and housing despite their tropical setting Seldom becoming absentee planters these Englishmen developed an extraordinary attraction to Barbados where they saw themselves as one group of planters explained in a petition as being Englishmen transplanted

One Europe, Many Nations James B.

Minahan,2000-07-30 Dominating world politics since 1945 the Cold War created a fragile peace while suppressing national groups in the Cold War s most dangerous theater Europe Today with the collapse of Communism the European Continent is again overshadowed by the specter of radical nationalism as it was at the beginning of the century Focusing on the many possible conflicts that dot the European landscape this book is the first to address the Europeans as distinct national groups not as nation states and national minorities It is an essential guide to the national groups populating the so called Old World groups that continue to dominate world headlines and present the world community with some of its most intractable conflicts While other recent reference books on Europe approach the subject of nations and nationalism from the perspective of the European Union and the nation state this book addresses the post Cold War nationalist resurgence by focusing on the most basic element of any nationalism the nation It includes entries on nearly 150 groups surveying these groups from the earliest period of their national histories to the dawn of the 21st century In short essays highlighting the political social economic and historical evolution of peoples claiming a distinct identity in an increasingly integrated continent the book provides both up to date information and historical background on the European national groups that are currently making the news and those that will produce future headlines [Elizabeth I](#) Patrick Collinson,2007-04-23 Definitive concise and very interesting From William Shakespeare to Winston Churchill the Very Interesting People series provides authoritative bite sized biographies of Britain s most fascinating historical figures people whose influence and importance have stood the test of time Each book in the series is based upon the biographical entry from the world famous Oxford Dictionary of National Biography
