Weaver,2000 In Long Odds Gordon Weaver s latest collection each male protagonist struggles for moral and emotional
strength to cope with a universe gone awry Each of the eleven stories centers around a circumstance that is both ordinary
and shockingly unpredictable A small time flop of a con man in the psychic business becomes dependent on his inspirational
talks with a dead hustler from a bygone era An eccentric helplessly watches a crumbling society from a table in his favorite
diner A proper Bostonian buries his black sheep brother in rural Mississippi A group of newly divorced men takes up daily
exercise in search of solace in an upscale mall Some of Weaver s characters win in the end some fail miserably but all of their
stories depict their confrontations with self and surroundings Each story lures the reader forward despite the potential
disappointment and self destruction that often loom just ahead for the characters The father of a blind girl builds an
elaborate Christmas light display for her as his wife watches with bewildered disapproval A part time college English teacher
travels the freeways from job to job and from woman to woman to avoid the paralysis of stasis Written in the bold sharp style
that is Weaver s trademark Long Odds includes stories that shift in mood and tone from the serious to the comically ironic
but which are unified by a common sense of isolation as each man labors to make sense of his place in the world Lauded by
Publishers Weekly as presenting characters whose cries are so human raw and mordant the reader forgets the fiction and is
delivered inside the experience Weaver skillfully introduces a level of depth and intensity to situations that may appear
commonplace at first glance This inventive collection offers a gallery of men who outwardly ordinary are revealed as complex
in their humanity defined as much by their sensibilities as by their actions or their failures to act **Four Decades** Gordon
Weaver,1997 Three previously uncollected stories continue Weaver s theme of loss of a friend to mental illness of a
successful life of a student in a traffic accident *Bobby Orr and Me* Martin Avery,2008-12-31 Martin Avery reflects on the
place of hockey in the Canadian soul Bobby Orr And Me flows from Avery s boyhood games in the Muskoka Parry Sound
region in the heart of Canada and it examines the globalization of hockey Part memoir part essay on national identity part
hockey history Hockey Dreams is a meditation by a Canadian author on the essence of the game that helps define our nation
