The Epic Of Wonderland Park:

The Epic of Wonderland Park Bob Laz,1990-01-01 Sacred Wonderland Thomas S. Bremer,2025 Sacred Wonderland explores the historical role of religion in making Yellowstone National Park a meaningful American icon **Ho! For Wonderland** Lee H. Whittlesey,Elizabeth A. Watry,2011-10-03 Since it became the world s first national park in 1872 Yellowstone has welcomed tourists from all corners of the globe who returned to their hometowns and countries with reports of this American wonderland Stories from the park s earliest visitors began to spread so rapidly that by 1897 Yellowstone became solidly established as a successful tourist destination with more than ten thousand tourists passing through its entrances Travelers in the park s first years faced long dusty and tediously slow stagecoach trips and could choose only between rather primitive hotels and tent camps for their overnight accommodations Devoured by nineteenth century readers many of the narratives from this era are long forgotten today and are only gradually being recovered from historical archives Park historians Lee Whittlesey and Elizabeth Watry have combed thousands of firsthand accounts selecting nineteen tales that offer unique and engaging perspectives of visitors during Yellowstone s stagecoach era From an 1873 newspaper serial that represents one of the earliest park s recorded trips to the 1914 Little Journey that popular writer Elbert Hubbard took with his wife Alice the chronicles included here reveal the enduring captivation that Yellowstone held in the popular imagination as it does today *Historic Yellowstone National Park* Bruce T. Gourley,2021-12-01 Historic Yellowstone National Park captures the most interesting moments in the park s history the slices of life in Montana and Wyoming that provide an idea of what life was like for those who chose to explore this gloriously beautiful corner of the United States There s the presence of Native Americans in the early years of the area s history the early explorers and expeditions its debut as the very first national park the explosive growth of tourism and the people who made history in this astonishing and mysterious Rocky Mountain landscape Historic YellowstoneNational Park provides just enough of this rich history to make the experience of visiting the park better than expected *SPIN* ,1999-08 From the concert stage to the dressing room from the recording studio to the digital realm SPIN surveys the modern musical landscape and the culture around it with authoritative reporting provocative interviews and a discerning critical ear With dynamic photography bold graphic design and informed irreverence the pages of SPIN pulsate with the energy of today s most innovative sounds Whether covering what s new or what s next SPIN is your monthly VIP pass to all that rocks **A Place Called Yellowstone** Randall K.
