Eucharist and Receptive Ecumenism Kimberly Hope Belcher, 2020-10-15 This book bridges Catholic and Protestant theologies of the eucharist using ritual practice and the act of giving thanks

Church and Communion Philip Goyret, 2022-01-21 This book is about ecumenism from a Catholic point of view The first part chapters 1 and 2 describe the history of divisions within the Church as well as of the efforts to bring about Christian unity The second part examines Ecumenism from a systematic theological perspective This first part takes into account the different factors that led to definitive ruptures within the Church which usually are not only theological The text gives useful information about what happened after the respective divisions as well as about the various attempts to restore unity the development of the Ecumenical Movement in the 20th Century and the current situation of ecumenical dialogue within the Catholic Church While offering insight into the sad history that has led to the present disunity this work also highlights the way Christians have sought to bring to fulfill the petition of Christ that his disciples might be one as He and the Father are one The second part chapters three four and five offers a systematic theological analysis of unity in the Church from the point of view of dogmatic theology We find here an explanation of the Catholic concept of ecumenism of how Catholic theology understands the unity of the Church and finally of the Catholic principles which sustain the efforts for regaining unity in the Church The Second Vatican Council and particularly the Constitution *Lumen gentium* and the Decree *Unitatis redintegratio* are at the foundation of these reflections At the same time since the theology of the Church and the life of the Church are intimately connected there is a profound link between this dogmatic section and the earlier historical section The last chapter about the practice of ecumenism is also written from a theological perspective but with more links with life and spirituality The chapter recalls that ecumenism can never simply remain a set of theological principles but rather inspires an attitude and action in charity which are essential to the Christian life

The Eucharist as a Countercultural Liturgy Yik-Pui Au, 2017-04-14 Since

its institution the Eucharist has been celebrated in all churches regardless of denominational differences Yet its importance should not be just confined to the Christian communities it can have transformational power in the cultural milieu In this book Yik Pui Au argues that the Eucharist can be a countercultural liturgy that upholds the identity and values of Christianity by countering cultural currents that are contrary to the Christian faith Au takes an interdisciplinary approach comprised of church history ritual theory and theology of culture to examine systematically the countercultural functions of the Eucharist interpreted by three modern theologians Henri de Lubac John Zizioulas and Miroslav Volf representing the Catholic Orthodox and Protestant traditions respectively The comparative evaluation of this cross tradition analysis supports Au s argument that even though culture is complex and changing the countercultural function of the Eucharist remains valid Despite its complexity culture can be transformed by the Eucharist and it can also challenge and renew our understanding of the Eucharist She suggests that due to its richness the countercultural function of the Eucharist cannot be exhausted by one tradition It is the task of theologians to help the church continually venture to explore and vivify this function ecumenically

The Sacrament of the Eucharist in Intercultural Ecumenical Communication Evodius Mbenna,2020-04 **The Eucharist** Church of England. House of Bishops,2001 The Eucharist Sacrament of Unity sets out the teaching of the Church of England within the Anglican Communion on the Eucharist It discusses the following questions Why is it so important How is Christ present Is the Eucharist a sacrifice in any sense Why do Anglicans offer eucharistic hospitality to members of other churches and expect to receive it from them In 1998 the Roman Catholic Bishops of England and Wales Ireland and Scotland issued One Bread One Body and invited ecumenical responses In this courteous but robust reply the House of Bishops shows that the Church of England upholds the faith of the Church concerning the Eucharist and justifies eucharistic sharing The Eucharist in the Lutheran and Roman Catholic Ecumenical Dialogue Francis Xavier Mayinja,1981
