The Evil Days

Michael Hoelscher

The Evil Days:

In Evil Days Stephen E. Baiden, 2011-10-19 As the news of natural disasters war and economic upheavals blanket the media the looming prospect that the end times are upon us heavily on many For Christians it is imperative to use Scripture to deal with these challenging days Based on years of research and in depth study of the Scriptures In Evil Days presents step by step guidelines for living a righteous life during these last days on Earth Baiden uses the tools of the Scripture to help Christians understand their divine call to be shining beacons of light for the lost of this world especially during these tumultuous times In clear concise language Baiden discusses how Christians should prepare to do daily battle with the evil that continues to permeate society and shows the error of those Christians who have turned to the ways of the world thereby weakening their faith Baiden explains how Christians should enter by the narrow gate by putting their trust in Christ Jesus and his divine power alone thus becoming victorious over sin and avoiding the calamities of the end times As Baiden notes As evil and ungodliness increase so do God s love mercy and grace This is his message to Christians in In Evil Days
