Integral Development Alexander Schieffer, Ronnie Lessem, 2016-05-23 Alexander Schieffer and Ronnie Lessem introduce a groundbreaking development framework and process to address the most burning issues that humanity faces While

conventional top down outside in development has reached a cul de sac a new integral form of development is emerging around the world Integral Development uniquely articulates this emergent approach and invites us to fully participate in this process The integral approach has been researched and framed over decades of in depth experience in transformative development education and practice all over the world It uniquely combines four mutually reinforcing perspectives nature and community culture and spirituality science systems and technology and enterprise and economics Conventional development theory and practice has prioritized the latter two perspectives neglecting the former two This has caused massive imbalances in today s world The four interconnected perspectives allow for a transformative and integrated engagement with core development issues in a way that is locally relevant and globally resonant Throughout the practical impact of Integral Development is brought to life through highly innovative cases from around the globe drawing on the authors first hand experience This makes the book a living demonstration of the power of this pioneering approach Integral Development shows how individual organizational and societal developments need to be interconnected to release a society s full potential It shifts the responsibility for large scale development from often distant experts and organizations to each individual community enterprise and institution within the society It is essential reading and a call to action for everyone concerned with the current state of local and global development

Conscious Leadership John Mackey, Steve Mcintosh, Carter Phipps, 2020-09-15 A WALL STREET JOURNAL BESTSELLER From Whole Foods CEO John Mackey and his coauthors a follow up to groundbreaking bestseller *Conscious Capitalism* revealing what it takes to lead a purpose driven sustainable business John Mackey started a movement when he founded Whole Foods bringing natural organic food to the masses and not only changing the market but breaking the mold Now for the first time *Conscious Leadership* closely explores the vision virtues and mindset that have informed Mackey s own leadership journey providing a roadmap for innovative value based leadership in business and in society *Conscious Leadership* demystifies strategies that have helped Mackey shepherd Whole Foods through four decades of incredible growth and innovation including its recent sale to Amazon Each chapter will challenge you to rethink conventional business wisdom through anecdotes case studies profiles of conscious leaders and innovative techniques for self development culminating in an empowering call to action for entrepreneurs and trailblazers to step up as leaders who see beyond the bottom line
