Canter,2023-07-13 Harold was born with the ability to connect to the ancient life energy lost by humans because of their selfish materialistic behaviors He grows up supported by gnomes sent by Mother Earth to help humans reconnect to life energy and stop their destructive actions that are killing the earth So he starts growing vegetables that people say give them peace and harmony after consuming them But are these vegetables magical Harold surrounds himself with his gardens seldom emerging until his wife is taken from him by the Guardians and an evil force tries to kill him Suddenly he starts to care about the future of the earth and works to help people reconnect and care about their futures The Guardians come to earth to help humans understand the consequences of their actions reconnect with the life energy and heal the earth But most humans resist The earth is dying and time is running out for humans Will they care enough to heal the earth or will life continue without them **The Guardian of Nemisia** Chris J.
