Sebastian Brünink

The Henhouse:

The Fox in the Henhouse Si Kahn, Elizabeth Minnich, 2005-10-27 Privatization has been on the right wing agenda for years Health care schools Social Security public lands the military prisons all are considered fair game Through stories analysis impassioned argument even song lyrics Si Kahn and Elizabeth Minnich show that corporations are by their very nature unable to fulfill effectively what have traditionally been the responsibilities of government They make a powerful case that the market is not the measure of all things and that a vital public sector is an indispensable component of a healthy democracy

Foxes in the Henhouse Steve Jarding, Dave "Mudcat" Saunders, 2006-04-04 Like a newly discovered treasure map offering a path to buried riches Foxes in the Henhouse is a hard hitting political blueprint for how the Democrats can win again in the South and rural America The authors document the Republicans rise in the South and Midwest expose the hypocrisy that marked their ascent and offer a take no prisoners plan to kick them out The authors know of what they speak Rural strategists Steve Jarding and Dave Mudcat Saunders are famous for securing Democratic victories in places they shouldn't have most notably in Mark Warner's successful run for governor of Virginia a campaign that wasn't afraid to use bluegrass concerts and NASCAR to get the message out When George W Bush swept the South clean in 2004 it was the final insult to Jarding and Saunders two self proclaimed bubbas on a mission to convince their fellow southerners and rural Americans that the GOP's claim of representing values patriotism the sportsmen and fiscal conservatism is a disastrous farce In addition to exposing the lies behind the gradual Republican invasion of the hinterland that began in the 1960s they offer some surprisingly simple strategies for Democrats to capture each of these issues Among other things Jarding and Saunders urge Democrats to Quit turning their noses up at the culture of rural America and talk to people where they live Learn how to count when going after votes Show some passion and retaliate when Republicans assassinate their characters Packed with meticulous and shocking research findings blunt laugh out loud language and merciless assaults on George W Bush Tom DeLay Bill O Reilly and plenty of other right wing charlatans Foxes in the Henhouse is a must read and will be one of the most talked about books of the year and for election cycles to come

Lawrence Schimel, 2012. *The Drag Queen of Elfland* is a collection of fantastical stories imbued with a refreshingly queer sensibility. These seventeen stories feature a lesbian werewolf taking back the night, a gay vampire discovering the perils of going to the gym, too many mirrors for starters, a young lord's son undertaking a quest to obtain a magical sword and win the heart of the boy he loves, and much more. Sometimes funny, sometimes moving, sometimes sexy, and always imaginative, these stories show readers the secret worlds that lurk beneath the surface of our own. Keep Chickens! Barbara

Fictionalized account of Walter Settle's baseball career and 19th-century baseball in Norwalk, California. **The Unbelievable FIB 1** Adam

Shaughnessy, 2015-09-08. When mythical beings invade the usually ordinary Middletown, it's up to eleven-year-old Pru and her classmate ABE, with help from an uncommonly rude squirrel and the enigmatic Mister Fox, to save their town from being destroyed by battling Norse gods. But first they have to find the lost Eye of Odin, source of all knowledge and the key to stopping a war that could destroy both human and immortal realms. Author Adam Shaughnessy draws from classic lore to create a new world where uncertainty opens the door to magic, and the last thing you should do is believe your own eyes.
