The Hidden History Of The Korean War:

The Hidden History of the Korean War, 1950-1951 Isidor Feinstein Stone, 1952 **The Hidden History of the Korean War, 1950-1951** I. F. Stone, 2014-09-16 A great journalist raises troubling questions about the forgotten war in this courageous controversial book with a new introduction by Bruce Cumings The Baltimore Sun Much about the Korean War is still hidden and much will long remain hidden I believe I have succeeded in throwing new light on its origins From the author's preface In 1945 US troops arrived in Korea for what would become America's longest lasting conflict While history books claim without equivocation that the war lasted from 1950 to 1953 those who have actually served there know better By closely analyzing US intelligence before June 25 1950 the war's official start and the actions of key players like John Foster Dulles General Douglas MacArthur and Chiang Kai shek the great investigative reporter I F Stone demolishes the official story of America's forgotten war by shedding new light on the tangled sequence of events that led to it The Hidden History of the Korean War was first published in 1952 during the Korean War and then republished during the Vietnam War In the 1990s documents from the former Soviet archives became available further illuminating this controversial period in history

Hidden History of the Korean War I.F. Stone, 2023-05 Proxy wars it seems are more openly practiced than ever and yet one of the worst of these was suppressed and forgotten even in its own time At the height of the McCarthy era and the inception of the Cold War the great journalist I F Stone released The Hidden History of the Korean War a courageous work of investigative journalism that demolished the official story of America's so called forgotten war As the war spiraled to its conclusion Stone closely analyzed openly available U S intelligence narratives on the war's official start and the actions of key players like John Foster Dulles General Douglas MacArthur and Chiang Kai shek The result of his investigations was a controversial book that raised questions about the origin of the war made a case that the U S government had manipulated the United Nations and gave evidence that the U S military and South Korean oligarchy dragged out the war by sabotaging peace talks With a new introduction by Tim Beal and Greg Elich 70 years after its initial publication The Hidden History of the Korean War remains a powerful dissemination of the hidden history behind the dominant historical narrative as relevant as ever *The Hidden History of the Korean War* Isidor Feinstein Stone, 1969 **The Hidden History of the Korean War**
