## **Sir George Trevelyan And The New Spiritual Awakening:**

*Sir George Trevelyan and the New Spiritual Awakening* Frances Farrer, 2002 The first biography of Sir George Trevelyan felt by many to be the grandfather of the movement for spiritual regeneration in Britain Sir George Trevelyan espoused alternative values long before the phrase became as popular as it is today After hearing a lecture by a pupil of Rudolf Steiner Trevelyan declared The agnosticism of thirty six years faded like morning mist The spiritual worldview was clear to me in its glory and wonder During his lifetime he explored beliefs in angels the calming effects of crystals and the power of ley lines alongside organic farming and communal living In 1971 he set up the Wrekin Trust to promote spiritual education and knowledge and in 1982 he was awarded the Right Livelihood Award the alternative Nobel Prize for his contribution towards healing the planet He inspired and encouraged the emerging synthesis between science and spirituality putting his faith for the future of society in the transforming power of spiritual awakening He taught extensively inspiring communities universities and spiritual groups worldwide He died in 1996 at the age of ninety

**Sir George Trevelyan, Residential Adult Education and the New Age** Sharon Clancy, 2023-11-29 This book examines the development of British post Second World War short term residential adult education through the lens of the Shropshire Adult Education College 1948 1976 and the tenure of Sir George Trevelyan as its first warden Trevelyan is acknowledged as the godfather of new age spiritualism in the UK and is credited with the development of eclectic and esoteric learning opportunities in arts traditional crafts culture and ecology Embodying the spirit of a new national drive for optimism and enterprise in the post war period Trevelyan and his contemporaries at other colleges took risks and innovated in new pedagogical approaches to adult education capturing the imagination of hundreds of students before being stifled by an increasingly restrictive policy framework and financial strictures The book considers the ideological drivers and tensions behind this unique form of education its inception evolution and virtual demise and seeks to learn from its complex history to inform education in the future Arthurian

Literature XXXI Elizabeth Archibald, David F. Johnson, 2014-11-20 Arthurian Literature has established its position as the home for a great diversity of new research into Arthurian matters It delivers fascinating material across genres periods and theoretical issues TIMES LITERARY SUPPLEMENT **The Psychic's Handbook** Julie Soskin, 2012-01-01 Once the seer the priestess and the sage were revered by their community Their roles were considered sacred the practising of an art requiring training and experience like any other art All these individuals tuned into their psycho spiritual powers on our behalf But each of us has always had the ability to draw upon these powers directly inside ourselves This book shows us not only how to exploit our psycho spiritual potential it also shows us how to navigate the different realms of inner experience that are our birthright Psycho spiritual powers can take time and expertise to discern especially for the novice How do we know what we are dealing with Does the information made available to us derive from the subtle energies around the body or does it come from some discarnate being Or perhaps from an alter ego the personification of hopes and fears from aspects of our

projected selves This book is drawn from research and first hand experience from thousands of consultations and teaching sessions over many years In addition the author at the end of each chapter uses anecdotes to illustrate and enlighten the reader and these are sometimes humorous sometimes sad sometimes philosophical and always true Well implemented psychic and intuitive guidance can help to move the individual towards wholeness a new dawn based on working with the heart and the energy of unconditional love This in turn radiates out to affect the whole of our society Psycho spiritual powers enlarge our lives beyond measure Julie is preparing those who choose to raise their consciousness and see beyond the immediate The late Eileen Caddy author and co founder of the Findhorn Foundation     *Encyclopedia of New Religious Movements* Peter Clarke,2004-03 An essential companion to both research and scholarship upon which undergraduates postgraduates lecturers and researchers can all be expected to draw     *A Very British Family* Laura Trevelyan,2012-11-10 It is a rule that no Trevelyan ever sucks up either to the press or the chiefs or the right people The world has given us money enough to enable us to do what we think is right We thank it for that and ask no more of it but to be allowed to serve it G M Trevelyan The Trevelyans are unique in British social and political history a family which for several generations dedicated themselves to the service and chronicling of their country Often eccentric priggish high minded and utterly self regarding they have nonetheless left their mark on our past This engaging history dispassionately explores the lives and achievements of this unique family and the part they played in shaping the history of Great Britain From their inauspicious beginnings in a small dwelling in Cornwall to the present day some Trevelyans have been famous and distinguished others less so but for a hundred years from the mid nineteenth to the mid twentieth century family members from Lord Macaulay to G M Trevelyan contributed to both the writing and the making of history This book is primarily the tale of the five men who flourished during this period Charles Edward George Otto Charles Philips George Macaulay and Humphry Trevelyan and the clever and formidable women they married Including many vivid portraits of the most influential members of this remarkable family The Trevelyans casts light on the period of enormous social and cultural change in which they lived and examines why they chose not to simply exploit their position as landed gentry but instead to take their place at the centre of scholarship and politics

*Eco-Alchemy* Dan McKanan,2018 For nearly a century the worldwide anthroposophical movement has been a catalyst for environmental activism helping to bring to life many modern ecological practices such as organic farming community supported agriculture and green banking Yet the spiritual practice of anthroposophy remains unknown to most environmentalists A historical and ethnographic study of the environmental movement *Eco Alchemy* uncovers for the first time the profound influences of anthroposophy and its founder Rudolf Steiner whose holistic worldview rooted in esoteric spirituality inspired the movement Dan McKanan shows that environmentalism is itself a complex ecosystem and that it would not be as diverse or transformative without the contributions of anthroposophy     *F.M.: The Life Of Frederick Matthias Alexander* Michael Bloch,2011-12-15 The Alexander Technique is a method of muscular re education which has

become standard training for actors dancers and singers and is practised for health reasons all over the world Its founder Frederick Matthias Alexander 1869 1955 was an Australian actor who stumbled upon it in the 1890s after studying himself in mirrors to discover why he had lost his voice He realised that most people suffered from the same postural defects he had noticed in himself and that this explained much of what went wrong with them F M as he was known came to London in 1904 and became enormously successful During the First World War he practised in America with equal success converting the American philosopher John Dewey to his cause He wrote four books all still in print and his supporters included Aldous Huxley George Bernard Shaw and Stafford Cripps He was however a difficult and argumentative man who made enemies Towards the end of his life he embarked on a libel action against the South African government which had accused him of charlatanism He won and went on practising and propagating his technique until his death aged 86 New Age Religion and Western Culture Wouter J. Hanegraaff, 2018-09-24 Recent years have seen a spectacular rise of the New Age movement and an ever increasing interest in its beliefs and manifestations This fascinating work presents the first ever comprehensive analysis of New Age Religion and its historical backgrounds thus providing the reader with a means of orientation in the bewildering variety of the movement Making extensive use of primary sources the author thematically analyses New Age beliefs from the perspective of the study of religions While looking at the historical backgrounds of the movement he convincingly argues that its foundations were laid by so called western esoteric traditions during the Renaissance Hanegraaff finally shows how the modern New Age movement emerged from the increasing secularization of those esoteric traditions during the 19th century This ground breaking publication is compulsive reading for all those involved or interested in the New Age movement London City of Revelation C.E. Street, 2010-05-24 Paperback re print of Earthstars The Visionary Landscape London s Sacred sites are not scattered about the capital at random Many form a recognisable pattern of sacred geometry a vast temple groundplan identical to the design used to lay out Stonehenge s megaliths over 3 500 years ago Astonishingly it also relates to the measures and proportions of the New Jerusalem The City of Revelation If the conclusions drawn by the author are correct this pattern is a circuit diagram of the forces of creation and a new evolutionary impulse is coming through our sacred sites a transformatory influence which will change the way we perceive the world

**Awakening The Universal Heart** Serge Beddington-Behrens, 2013-09-11 A guide to improving your quality of life and changing the world for the better I invite you to come on a journey with me into one of the most important yet often most neglected dimension of yourself your heart I want to help you discover as I have slowly been discovering that our hearts not only hold the key to our being able to live a fuller and more meaningful life but also to our being able to play a part in helping heal our planet The change needed is a shift out of our primarily head focus into becoming increasingly heart centered where we are connected to our hearts and are potentially capable of moving mountains We are only going to be good activists if we have plenty of heart in our lives if we are big hearted with a well activated Heart A culture of Heart is vital if we are to heal

the many wounds and splits that exist between different classes religions tribes and nations The book has been written from a place of great hope and joy based on knowledge that our world is changing and that the planetary heart is at last awakening Praise for Awakening the Universal Heart If you want to open and develop your heart to create a better world for everyone then read this passionate and inspiring book William Bloom author educator and activist We need practical visionaries to show us the way towards a culture of love and of the heart Serge is one such visionary David Lorimer Programme Director of the Scientific and Medical Network

**The Emerging Network** Michael York,1995

The 1980s saw the emergence of New Age and neo paganism as major new religious movements In the first book length study of these movements Michael York describes their rituals and beliefs and examines the similarities differences and relationships between them He profiles particular groups including the Church Universal Triumphant Nordic pagans and the

Covenant of Unitarian Pagans and questions the adequacy of existing sociological categories for describing these largely amorphous phenomena      **Revelations** Paul Roland, 1995
