Goldsmith Chris Hutchins,1998 Few businessmen in modern times have succeeded in generating such vast riches as Sir James Goldsmith This book tells the story of his rise to fame and his extraordinary family **Tycoon** Geoffrey Wansell,1987

Cranks and Gadflies Mark Daniel,2005 Dismissed by the Tories as cranks and gadflies the United Kingdom Independence Party UKIP has in a short period of time became the fourth largest party in UK politics This book looks at the rise of UKIP exploring both its origins and its history **The Emergence of Charismatic Business Leadership** Richard S. Tedlow,2021-09-14 The author of *Giants of Enterprise* examines the evolving role of business leaders in the 21st century with essential lessons from today s trailblazers In *The Emergence of Charismatic Business Leadership* Harvard Business School Emeritus professor Richard S Tedlow reveals how a handful of individuals have transformed modern day leadership making charisma essential to the role He looks at leaders like Oprah Winfrey Elon Musk and Steve Jobs three pioneers who found success by innovating their management style and using their charisma to champion their vision Through Tedlow s in depth accounts of modern business history we see how former outsiders attain power and influence and how charismatic leadership enables the creation of revolutionary products like the battery electric vehicle and the smart phone But Tedlow also considers the careers of people who used their charisma to mislead such as Jeff Skilling of Enron and Elizabeth Holmes of Theranos In this thorough examination Tedlow shows how charisma when combined with genuine character can get you far

Supranationalism in the New World Order Paul Close,Emiko Ohki-Close,1999-03-25 *Supranationalism in the New World Order* argues that in the post Cold War distribution of global power and configuration of global players the European Union is just one among a growing number of regional regimes that are acquiring prominent roles in the process of global governance to some extent through the operation of differentiated zones of geo political management The EU is currently the most advanced and influential example of a regional regime by virtue of having the novel European Community at its core the EC uniquely being constructed around supranational institutions decision making and laws But the EU s uniqueness is unlikely to last The evident competitive advantages of supranational regional regimes in conjunction with the realism generally adopted by the various global players is conducive to the consolidation and proliferation of SRRs in a manner consistent with the neo functionalist perspective on the progress of the EU Other prospective SRRs include the Association of Southeast Asian Nations the East Asian Economic Caucus the South Asian Society for Regional Cooperation the North American Free Trade Area and the Andean Community It is argued that the emerging character of the global system will increasingly depend on SRRs the relationships among such organizations and accordingly the doctrine of supranationalism The book offers a distinctive way of representing the global system global processes and global developments with the help
