marriage and family life **Let It Shine!** Mary E. McGann, R.S.C.J., 2009-08-25 *Let It Shine* probes the distinctive contribution of black Catholics to the life of the American church and to the unfolding of lived Christianity in the United States. This important book explores the powerful spiritual renaissance that has marked African American life and self-understanding over the last several decades by examining one critical dimension: the forging of new expressions of Catholic worship rooted in the larger Catholic tradition yet shaped in unique ways by African American religious culture. Starting with the 1960s, the book traces the dynamic interplay of social change, cultural awakening, and charismatic leadership that have sparked the emergence of distinctive styles of black Catholic worship. In their historical overview, McGann and Eva Marie Lumas chronicle the liturgical and pastoral issues of a black Catholic liturgical movement that has transformed the larger American church. McGann then examines the foundational vision of Rev. Clarence R. J. Rivers, who promoted forms of black worship, music, preaching, and prayer that have enabled African American Catholics to reclaim the fullness of their religious identity. Finally, Harbor constructs a black Catholic aesthetic based on the theological, ethical, and liturgical insights of four African American scholars expressed through twenty-three performative values. This liturgical aesthetic illuminates the distinctive gift of black Catholics to the multicultural tapestry of lived faith in the American church and can also serve as a pastoral model for other cultural communities. Blending history, theology, and liturgy, *Let It Shine* is a valuable resource for scholars, teachers, and students and a practical pastoral guide to bringing African American spirituality more firmly into the sacramental life of American parishes.

Holy People of the World Phyllis G. Jestice, 2004-12-15 A cross-cultural encyclopedia of the most significant holy people in history, examining why people in a wide range of religious traditions throughout the world have been regarded as divinely inspired. The first reference on the subject to span all the world's major religions, *Holy People of the World: A Cross-Cultural Encyclopedia* examines the impact of individuals who, through personal charisma and inspirational deeds, served both as glorious examples of human potential and as envoys for the divine. *Holy People of the World* contains nearly 1,100 biographical sketches of venerated men and women. Written by religious studies experts and historians, each article focuses on the basic question: How did this person come to be regarded as holy? In addition, the encyclopedia features 20 survey articles on views of holy people in the major religious traditions, such as Islam, Buddhism, and African religions, as well as 64 comparative articles on aspects of holiness and veneration across cultures, such as awakening and conversion experiences, heredity, gender, asceticism, and persecution. Whether exploring by religion, culture, or historic period, this extensively cross-referenced resource offers a wealth of insights into one of the most revealing and least explored common denominators of spiritual traditions.

Twentieth-century Apostles Phyllis Zagano, 1999 This book tells the story of the following Christians 1 Charles de Foucauld 2 Teilhard de Chardin 3 Giovanni Battista Montini Pope Paul VI 4 Dorothy Day 5 Jessica Powers 6 Franz Jagerstatter 7 Teresa of Calcutta 8 Thomas Merton 9 Roger of Taize 10 Oscar Romero 11 Jean Vanier 12 Thea Bowman **Is It a Sermon?** Donyelle C. McCray, 2024-10-08 Is It a Sermon is an informative and daring call to blur the boundaries of the sermon genre exploring the shoreline of homiletics or the place where preaching laps up against other modes of discourse In this book Donyelle McCray explores how preaching merges with prayer song performance and activism the gospel dancing in and out of the forms we create for it Consider the sermonic performance of Isaiah walking naked and barefoot for three years the deaconess whose morning prayer rhythmically flows into sermon or the gospel soloist who pauses in her song to tell a story or break into a sermonette McCray is interested in the possibilities that emerge when we play at the shoreline and she questions what modes of preaching get overlooked due to genre classifications She seeks to discover what we might learn from these shoreline preachers about bearing witness enacting Scripture and listening to life While these questions could be explored generally McCray focuses on African American preachers who play at the boundaries of the sermon genre with attention to how genre fluidity provides a means of drawing on ancestral wisdom Key figures like Mahalia Jackson Harriet Powers Rosie Lee Tomkins Thea Bowman Howard Thurman and Toni Morrison are examined as artists activists and proclaimers She shines a new light on their work and points out how they reform preacherly identities and refuse traditional patterns of holding authority Ultimately in blurring the boundaries of sermon genre this book offers readers strategies for embracing their voices more fully within and beyond the pulpit *Openings (2nd Edition)* Rev.
