The Transforming Power of the Nuns Mary Peckham Magray, 1998-06-04 Mary Peckham Magray argues that the Irish Catholic cultural revolution in the nineteenth century was effected not only by male elites as previous scholarship has claimed but also by the most overlooked and underestimated women in Ireland the nuns Once thought to be merely passive servants of the male clerical hierarchy women's religious orders were in fact at the very center of the creation of a devout Catholic culture in Ireland Often well educated articulate and evangelical nuns were much more social and ambitious than traditional stereotypical views have held They used their wealth and their authority to effect changes in both the religious practices and daily activity of the larger Irish Catholic population and by doing so Magray argues deserve a far larger place in the Irish historical record than they have previously been accorded Magray's innovative work challenges some of the most widely held assumptions of social history in nineteenth century Ireland It will be of interest to scholars and students of Irish history religious history women's studies and sociology

**Veiled Leadership** Amanda Bresie, 2023-09 On the rainy morning of October 1 2000 Pope John Paul II canonized Mother Katharine Drexel Born into a wealthy Philadelphia family Drexel bucked society and formed the Sisters of the Blessed Sacrament for Indians and Colored People Her compelling personal story has excited many biographers who have highlighted her holiness and catalogued her good deeds During her life newspapers called her the Millionaire Nun and much of the literature on Drexel and the Sisters of the Blessed Sacrament exalts Katharine Drexel's disbursement of her vast fortune to benefit Black and Indigenous people The often repeated stories of a riches to rags holy woman miss the true significance of what Mother Katharine and the Sisters of

the Blessed Sacrament attempted Drexel was not merely the ATM of Catholic Home Missions rather she challenged the hierarchy to reimagine its mission in the United States In an era when the Church controlled the actions and censored the opinions of women religious they had to listen to Mother Katharine Most writing on Drexel and the SBS focus on Drexel s spiritual journey but *Veiled Leadership* traces the daily operations of her charitable empire and looks at how the Sisters implemented Drexel s vision in the field The SBS were not always welcomed in the communities they served and they experienced conflict from both white supremacists and the people they wanted to aid *Veiled Leadership* examines the lives of Mother Katharine and her congregation within the context of larger constructs of gender race religion reform and national identity It explores what happens when a non dominant culture tries to impose its views and morals on other non dominant cultures In other words as outliers themselves they were semi cloistered Catholic women from primarily immigrant backgrounds in a culture that regarded their lifestyles as alien and unnatural their attempts to Americanize and assimilate Black and Indigenous people whose families had been in the country for generations longer than the nuns own adds complexity to our understanding of cultural hegemony
