R. George, 2019 When Donald Trump was married to his first wife Ivana Ivana Zelnickov in 1977 the family minister who officiated the wedding was the preacher and author of *The Power of Positive Thinking* Norman Vincent Peale Perhaps more than any other figure in American public life in the last decade Donald Trump has been able to reimagine Peale's message of positive thinking to his political advantage I never think of the negative he said after the opening of Trump Tower in 1983 Both Trump and Peale have appealed to people who like themselves have felt marginalized by an intellectual and cultural elite Peale's 1952 book which helped to drive the religious revival of the 1950s remains a perennial bestseller and has affected the lives of a vast public in the United States and around the world In *God's Salesman* Carol V R George used interviews with Peale himself as well as exclusive access to his manuscript collection to provide the first full length scholarly account of Peale and his highly visible career George explores the evolution of Peale's message of Practical Christianity the belief that when positive thinking was combined with affirmative prayer the technique of imaging and purposeful action the result was a changed life It was a message with special appeal for many in the post War middle class struggling to rebuild their lives and have a voice in society George examines the formative influences on Peale's thinking especially his devout Methodist parents his early exposure to and then enthusiastic acceptance of Ralph Waldo Emerson and William James and his almost instinctive attraction to evangelicalism particularly as it was manifested politically Twenty five years after its initial publication and with a new foreword by Kate Bowler *God's Salesman* remains a timely portrait of the man and his movement and the vital role that both played in the rethinking and restructuring of American religious life over the last seventy years *The Winners' Secret: Attitude* Rev. Nana Kwame Anane, 2008-02-13 Are you in the verge of giving up Do you want to start all over again Are you looking for inner peace Do you feel hopeless and restless Or do you want to live your fullest potential in this life Banish those thoughts and begin to discover the keys to constant victory in every area of your life *The winners secret Attitude* is a book for the young and old happy or sad rich or poor Christians and non Christians it is about your attitude It is based on a careful observation under the inspiration of God about the people God used as his servants in the bible These people like Moses Elijah Peter Paul and others possessed some similar qualities and characteristics that made them winners in whatever they did These characteristics are needed by us if we want to be on top in life This book draws your attention to them and inspire you to move out of your comfort zone and attain greater things with your life because God wants you to be a winner too and be empowered by the Holy Spirit to do his work all you need to do is to know what he requires of you DigStation Indie Music Downloads onclick this select **A Nation at Risk** Peter Wuteh Vakunta, 2012-08-02 *A Nation at Risk* A Personal Narrative of the Cameroonian Crisis should be construed as a requiem for

**The A to Z of Bosnia and Herzegovina** Ante Cuvalo, 2010-04-08 Diversity has always been at the heart of Bosnia and Herzegovina's character even its dual name and physical geography display a particular heterogeneity The medieval Bosnian state never enjoyed lasting political and ideological unity as its feudal regional and religious rifts pulled at the country's seams Furthermore because of its location and by a quirk of history three major world religious and cultural traditions Catholicism Islam and Orthodoxy became cohabitants in this small Balkan country Recently the rebirth of its statehood has been exceptionally bloody and its diversity has been shaken Even 11 years after the guns were silenced the country is still under the benevolent protection of the international community whose officials are keeping the state building process in

perpetual suspense with no final result in sight The A to Z of Bosnia and Herzegovina sheds light on the uncertain situation Bosnia and Herzegovina faces while providing essential background information This is accomplished through a chronology an introduction a bibliography and more than 300 cross referenced dictionary entries on individual topics spanning Bosnia and Herzegovina s political economic religious and social system along with short biographies on important figures
