## **Six Day War Prologue And Aftermath:**

*Britain, the Six-day War and Its Aftermath* Frank Brenchley, 2005-02-25 Britain's reputation in the Middle East had been reduced to shreds by the fiasco of the Suez War in 1956 but by 1967 as a result of quiet diplomacy and long standing contact with the region recovery seemed possible But all seemed shattered by the Six Day War and especially by the Big Lie alleging that Britain and the USA colluded with Israel in the war and were thus vital in defeating the Arab side Britain the Six Day War and its Aftermath is a cool detailed and detached account by a top mandarin at the heart of British policy who refutes the allegations and shows Britain as pursuing an even handed policy while promoting long standing British diplomatic and vitally for Britain's flagging economy and global position economic interests **The Six-Day War** David Kimche, 1968

**The Six-Day War** David Kimche, Dan Bawley, 1971 *Reconstructing a Shattered Egyptian Army* Youssef Aboul-Enein, 2014-06-15 Central to CDR Youssef Aboul Enein's career has been the mission to introduce America's military leaders to Arabic works of military significance Just like American military leaders who had an obsession for all things Russian during the Cold War in order to understand the Soviets the war on al Qaida and the complex nuances of the Arab Spring demand a deeper comprehension of the Middle East from direct sources The memoirs of General Mohamed Fawzi Egyptian War Minister from 1967 to 1971 were first published in 1984 but his work has not been translated and remains undiscovered by English speaking readers Many in the United States Armed Services have yet to be introduced to his ideas perspectives and the seeds by which the 1973 Yom Kippur War were laid In this new contribution to his series of essays written for Infantry Journal Aboul Enein has determined to bring to life the military thoughts of this Arab War Minister This book is a joint Infantry Naval Institute Press project that has condensed the entire collection of essays on Fawzi to a single volume to provide future generations of America's military leaders with access his ideas Fawzi is unique among Arab generals for his scathing critique of his own armed forces and from his critical examination of what went wrong in 1967 he was able to slowly resurrect the Egyptian Armed Forces to a level that enabled Sadat to consider an offensive in 1973 This Egyptian general will provide insights into the level of Soviet cooperation and military aid provided Egypt after the 1967 Six Day War known simply in Arabic by one word al Naksah the setback not to be confused with the 1948 Arab Israeli War known by one word al Nakbah the catastrophe While Fawzi lapses into conspiracy indulges in wishful thinking and employs the language of pan Arabism on occasion much like Soviet military theorists couched their ideas in Marxist Leninist rhetoric this will not stop serious American students of war from recognizing his brilliance about the lessons learned from the crushing defeat of Egyptian arms in the 1967 Six Day War [Historical Dictionary of Israel](#) Bernard Reich, David H. Goldberg, 2016-08-30 Since its creation the State of Israel has been a magnet for attention A country beset by conflict in its region and faced with the need to integrate mainly Jewish immigrants of disparate backgrounds into a modern and advanced democratic state and society Israel has preoccupied observers scholars and journalists since its independence in May 1948

Although a Jewish state Israel is also a democratic state that guarantees the rights of all of its citizens including its large Arab and Moslem minority in law and in practice Israel and its modern history and politics have been the subject of substantial and often highly partisan literature being hotly and vigorously debated both at home and abroad This third edition of Historical Dictionary of Israel contains a chronology an introduction appendixes and an extensive bibliography The dictionary section has over 1100 cross referenced entries on significant persons places events government institutions political parties and battles as well as entries on Israel's economy society and culture This book is an excellent access point for students researchers and anyone wanting to know more about the various diplomatic and political personalities institutions organizations events concepts and documents that together define the political life of the Jewish state of Israel

Introduction to the Middle East Rathnam Indurthy, 2023-08-29 The Middle East is the center of three great ancient civilizations Egyptian Babylonian and Persian It is also the seat of four monotheistic religions Judaism Zoroastrianism Christianity and Islam Because of the strategic location between the West and the East the Middle East since the early nineteenth century became the fulcrum of competition among and between great powers including Czarist Russia and it became intensified with the outbreak of the Cold War the end of the World War II between the two superpowers the US and the Soviet Union and with the creation of Israel in 1948 and the discovery of oil And it remains as such even after the collapse of the Soviet Union in 1991 The region became an epicenter of the Arab Israeli conflict Islamic fundamentalism

Islamic terrorism irredentism and sectarian wars The region remains politically unstable and unpredictable given the fact it is run by autocratic regimes and dynastic monarchies except for Israel a functioning democracy So the purpose of this work is to introduce students and the general readers to this region s history the founding of Islam its spread and split the Ottoman Empire and its fall the Western colonization and its end and the emergence of independent Arab states The also work examines the domestic regional and international of nine countries the frontline and the Persian Gulf states in the context of the Arab Israeli conflict in terms of its impact and nonimpact over them with the exception of Turkey An understanding of the region hopefully should help us deal with the vicissitudes and the complexities given our dependence on the region s oil and the sea shipping through the Suez Canal and the Persian Gulf Israel Bernard Reich,2018-03-09 First Published in 2018 This book examines the land and people of Israel and the division between Jews of Oriental and Ashkenazi backgrounds as well as the division between Jewish and Arab citizens offering a thoughtful discussion of the continuing Arab Israeli conflict

**Conventional Deterrence** John J. Mearsheimer,1983 Conventional Deterrence is a book about the origins of war Why do nations faced with the prospect of large scale conventional war opt for or against an offensive strategy John J Mearsheimer examines a number of crises that led to major conventional wars to explain why deterrence failed He focuses first on Allied and German decision making in the years 1939 1940 analyzing why the Allies did not strike first against Germany after declaring war and conversely why the Germans did attack the West Turning to the Middle East he examines the differences in Israeli and Egyptian strategic doctrines prior to the start of the major conventional conflicts in that region Mearsheimer then critically assays the relative strengths and weaknesses of NATO and the Warsaw Pact to determine the prospects for conventional deterrence in any future crisis He is also concerned with examining such relatively technical issues as the impact of precision guided munitions PGM on conventional deterrence and the debate over maneuver versus attrition warfare Mearsheimer pays considerable attention to questions of military strategy and tactics Challenging the claim that conventional detrrence is largely a function of the numerical balance of forces he also takes issue with the school of thought that ascribes deterrence failures to the dominance of offensive weaponry In addition to examining the military consideration underlying deterrence he also analyzes the interaction between those military factors and the broader political considerations that move a nation to war

**Book of Days** C. Edward Wall,1987 **The Anatomy of the Israeli Army** Gunther E. Rothenberg,1979 At the opening of the Geneva Peace Conference in December 1973 the American Secretary of State Dr Henry Kissinger observed that except for uneasy cease fires and armistices the Arab Israeli conflict constituted one continued war that had already lasted 25 years Despite the events that have taken place since that observation was made Israel Defence Force or IDF The central theme of this book is the evolution of the modern Israeli Army its organisation doctrines and special characteristics Menace Israel. Miśrad ha-ḥuts. Lishkah le-hasbarah,1972 *Armored Forces* Robert M. Citino,1994-10-21 This volume analyzes the development of tanks and traces their history from the British attack

at Cambrai in 1917 during World War I through the AirLand Battle of Operation Desert Storm in 1991 This text gives a short history of the rise and development of armored warfare in the 20th century an assessment of the significant literature on tank doctrine and an evaluation of the role of prominent commanders theoreticians and tacticians A chronology of important dates and pictures depicting major changes in tanks across the years enrich this teaching tool and reference guide for teachers and students of military history history buffs and professional soldiers *Israel* Esther M. Snyder,1985 *Syrian commando operations on the Golan Heights during the Yom Kippur War (1973)* Pesach Malovany , Josef Berger,2018-01-30 This paper presents findings from independent research conducted by Dr Josef Berger who mapped the flight routes of the Syrian aircraft and helicopters that penetrated the Golan Heights during the Yom Kippur War His research revealed that on the morning of October 9 1973 the fourth day of the war Syrian commando forces conducted three separate landings behind the Israeli Defense Forces IDF that fought in the Golan Heights This casts the Syrian landings in a new light as the IDF had until now been aware of only one such landing which took place near Nafakh Junction In that landing the nearby IDF forces quickly engaged and eliminated the Syrian forces The research also correlated the newly discovered Syrian landing sites with nearby sites where Syrian forces ambushed the reconnaissance company of the 7th armored brigade Palsar7 and the tanks of the 679th armored brigade IDF forces across the battlefield saw the Syrian helicopters flying overhead unaware that the helicopters were carrying commando forces to the Golan Heights landing sites Nevertheless the various echelons of the IDF including the 7th and 679th brigades the 36th division the Northern Command the Israel Air Force IAF and the IDF General Staff did not understand this Syrian activity or misinterpreted it Various publications surveying the Golan Heights battles during the Yom Kippur War whether official IDF reports or other books about this specific front make no mention of Syrian commando forces landing near Wasit or A Dalawe IDF Colonel Ret Pesach Malovany who has conducted extensive research into Arab military history and Soviet involvement in the Middle East during the USSR era obtained Syrian materials that confirmed one of the newly discovered commando landings the October 9 landing near Wasit This landing occurred at the same time as the well known landing of the commando force near Nafakh village Given the dearth of information about the forces that landed and their fighting techniques Malovany located additional Syrian sources including Syrian newspapers going back to 1974 These featured interviews and memoirs by Syrian soldiers and commanders along with helicopter pilots and Syrian commando fighters who participated in those landings This article weaves together Dr Berger s research findings and the information gleaned and translated from Arabic sources by Malovany Combined these findings shed light on one incident of the Yom Kippur War that had remained unknown for more than 40 years both to the IDF and to researchers of the Syrian front Perhaps this publication and the new information it reveals might help glean lessons from the past **Middle East Crucible** Naseer Hasan Aruri,1975
