heavily illustrated overview *Ranking America's Fifty States* Michael D. Dulberger, 2013-09-18 This full color book provides a compendium of stimulating facts about the states presented graphically and covering a wide array of topics including demographic economic environmental health and crime variables Hundreds of attributes are compared side by side from life expectancy to murder rates from fourth grade math proficiency scores to the number of food stamp recipients and from illicit drug use to the rate of firearm background checks per state Through meticulous organization and use of graphic formats retrieval of specific information the reader may seek has been greatly facilitated In addition to the graphs comparing the fifty states for each individual metric a summary table is provided at the beginning of each chapter along with highlights of pertinent data found in the chapter While we are one indivisible nation at the same time Americans are as diverse from state to state as many nations are when compared with other nations For example in 2010 95 percent of Vermont residents were white compared with only 24 percent of residents in Hawaii and 1 in 12 New York residents were Jewish compared with less than 1 in 1 000 Arkansas residents In Texas 464 prisoners have been executed over the past 35 years while 16 states have not executed any More interesting facts found in ranking America s Fifty States include Alaska ranked highest or lowest in 31 metrics more than any other state followed by Mississippi at 25 and Texas at 20 Alaska is the only state that does not have a state income tax or a state sales tax It had the highest revenues per capita from taxes levied on businesses for the extraction of oil and gas and receives the highest federal aid per capita Alaska had the lowest percent of households with annual income below 15 000 Over the past decade over 100 million firearms background checks have been performed nationally with the highest rate in Utah and the lowest rate in New Jersey Mississippi had the lowest personal income per capita median household income gross domestic product per capita and lowest male life expectancy rate Additionally it had the highest food stamp recipient rate rate of persons below the poverty level and infant mortality rate Florida had the highest rate of identity theft victims in 2010 followed by Arizona California and Georgia Texas had the most extreme environmental metrics including the highest major disaster storm and wildfire emergency declarations Texas also had the highest summer air temperature and carbon dioxide emissions level In addition to extreme environmental metrics Texas also had the highest property crime rate and high school dropout rate **The Trail Drivers of Texas** ,2010-06-30 For 60 years it has been considered the most monumental single source on the old time Texas trail drives north to Kansas and beyond The Dallas Morning News These are the chronicles of the trail drivers of Texas those rugged men and sometimes women who drove cattle and horses up the trails from Texas to northern markets in the late 1800s Gleaned from members of the Old Time Trail Drivers Association these hundreds of real life stories some humorous some chilling some rambling all interesting form an invaluable cornerstone to the literature history and folklore of Texas and the West First published in the 1920s and reissued by the University of Texas Press in 1985 this classic work is now available in an ebook edition that contains the full text historical illustrations and name index of the hardcover edition The essential starting point for any study of Texas trail

driving days Walter Prescott Webb called it Absolutely the best source there is on the cattle trail Basic Texas Books A book of recollections written by the trail drivers themselves It has been declared that this volume will prove to be the storehouse of historians and novelists for generations J Marvin Hunter s Frontier Times Magazine A collection of narrative sketches of early cowboys and their experiences in driving herds of cattle through the unfenced Texas prairies to northern markets They are true narratives told by the cowpunchers who experienced the long rides Texas Proud

The Chisholm Trail James E. Sherow,2018-09-27 One hundred fifty years ago the McCoy brothers of Springfield Illinois bet their fortunes on Abilene Kansas then just a slapdash way station Instead of an endless horizon of prairie grasses they saw a bustling outlet for hundreds of thousands of Texas Longhorns coming up the Chisholm Trail and the youngest brother Joseph saw how a middleman could become wealthy in the process This is the story of how that gamble paid off transforming the cattle trade and with it the American landscape and diet The Chisholm Trail follows McCoy s vision and the effects of the Chisholm Trail from post Civil War Texas and Kansas to the multimillion dollar beef industry that remade the Great Plains the American diet and the national and international beef trade At every step both nature and humanity put roadblocks in McCoy s way Texas cattle fever had dampened the appetite for longhorns while prairie fires thunderstorms blizzards droughts and floods roiled the land Unscrupulous railroad managers stiff competition from other brokers Indians who resented the usurping of their grasslands and farmers who preferred growing wheat to raising cattle all threatened to impede the McCoy s vision for the trail As author James E Sherow shows by confronting these obstacles McCoy put his own stamp upon the land and on eating habits as far away as New York City and London Joseph McCoy s enterprise forged links between cattlemen entrepreneurs and restaurateurs between ecology disease and technology and between local national and international markets Tracing these connections The Chisholm Trail shows in vivid terms how a gamble made in the face of uncontrollable natural factors indelibly changed the environment reshaped the Kansas prairie into the nation s stockyard and transformed Plains Indian hunting grounds into the hub of a domestic farm culture
