## Sketch Of A Serpent:

**Sketch of a Serpent** Paul Valéry, Lynn Hoggard, 1987-01-01      **The Poems of Paul Valéry** Jan Schreiber, 2021-03-19

One of the most important French poets of the twentieth century Paul Valéry 1871 1945 influenced generations of poets who came after him Major poets in England and America including T S Eliot Wallace Stevens and W H Auden agreed that he should be better known in the English speaking world However his complex and graceful writing presents daunting obstacles for the translator who must capture the motions of a subtle intellect while recreating the rhythms and rhymes that entranced the poet's French contemporaries This volume is the culmination of 50 years devoted to bringing Valéry's poems into fluent English It shows the writer to be both the supreme poet of the mind and a consummate linguistic musician Readers curious to encounter *The Graveyard by the Sea* will find it brilliantly rendered here along with other masterpieces in both long and short forms This is a book for every lover of language and ideas      *Theological Sketch-book Or Skeletons of Sermons;*

*Progress'* Dirk Van Hulle, 2016-04-28 The text of *Finnegans Wake* is not as monolithic as it might seem It grew out of a set of short vignettes sections and fragments Several of these sections which James Joyce confidently claimed would fuse of themselves are still recognizable in the text of *Finnegans Wake* And while they are undeniably integrated very skillfully they also function separately In this publication history Dirk Van Hulle examines the interaction between the private composition process and the public life of Joyce's *Work in Progress* from the creation of the separate sections through their publication in periodicals and as separately published sections Van Hulle highlights the beautifully crafted editions published by fine arts presses and Joyce's encouragement of his daughter's creative talents even as his own creative process was slowing down in the 1930s All of these pre-book publications were alive in both bibliographic and textual terms as Joyce continually changed
