The Adventures Of Mr Penwiggles A Recipe For Danger:

The Adventures Of Mr. Penwiggles Jerry Robson, Sr. Robson Jerry, 2004-12-01 Thadeus was called a Professor a Mr Penwiggles a Dr Penwiggles a or a Mr P a He didn't concern himself with titles because he possessed a very unusual gift: the ability to transport himself and others into the unknown at any moment. As a result, his entire world evolved around an unending thirst for adventure and the study of historical relics. He knew he was on to something really big this time. His gut feeling would soon be proven correct. Those innocent-looking containers would launch him into one of the greatest and most dangerous explorations for historical truth he had ever experienced. Thadeus and his good friend Juba set out on an adventure quite by accident which results in several brushes with death and countless close calls. Both men have an evening they will never forget complete with fireworks, bad guys, scary places, and the opportunity to become participants in history.
