The Airport Girl A Pilots Enduring Love:

The Airport Girl Bill Rhode,1991-05-01 **The Wife's Tale** Lori Lansens,2010-02-05 On the eve of their Silver Anniversary Mary Gooch is waiting for her husband Jimmy still every inch the handsome star athlete he was in high school to come home As night turns to day it becomes frighteningly clear to Mary that he is gone Through the years disappointment and worry have brought Mary s life to a standstill and she has let her universe shrink to the well worn path from the bedroom to the refrigerator But her husband s disappearance startles her out of her inertia and she begins a desperate search For the first time in her life she boards a plane and flies across the country to find her lost husband So used to hiding from the world Mary finds that in the bright sun and broad vistas of California she is forced to look up from the pavement And what she finds fills her with inner strength she s never felt before Through it all Mary not only finds kindred spirits but reunites with a more intimate stranger no longer sequestered by fear and habit herself [The New York Times Book Review](#) ,1991-10 Presents extended reviews of noteworthy books short reviews essays and articles on topics and trends in publishing literature culture and the arts Includes lists of best sellers hardcover and paperback [The Hidden Treasure Files](#) Martin Herman,2017-06-20 This is the second in the current series of Will James mystery novels this time the anti establishment private investigator and his crew are asked to help unravel a mystery that begins in a Brooklyn antique store and ends in the most unlikely of locations Every Sunday morning precisely at 10 30 sharp there is an auction held in a sparsely furnished back room of Better Times Remembered a small neighborhood antique store in the Williamsburg section of Brooklyn Albert Froog the owner of the store and self declared auctioneer personally chooses the items for each week s auction Generally these items are fairly ordinary but become more interesting because of the back story he is able to weave around them At times there is even a speck of truth in the story he tells At this particular Sunday morning auction one of the items he offers up is a prohibition era permit in a battered old wooden frame authorizing the manufacture of alcohol It was one of many items he acquired in an estate purchase On his inventory sheet he has assigned a value of 50 cents to one dollar for this item because so many similar permits were issued during prohibition and the frame is of little or no value Hoping he will wind up with something between 50 cents and a dollar he starts the bidding at 2 00 To his surprise and amazement two separate people quickly bid the price up to 100 000 Who would pay 100 000 for this piece of junk Froog asks himself What do they know that I don t When the head of the New York Mafia family also shows interest in the item Froog becomes doubly convinced that he really has a hidden treasure on his hands If you think you know how this will all end you are so very very wrong As with all Will James Mysteries the numerous twists and turns will keep you reading and guessing until the very last page **Island Girl to Airline Pilot** Silva Mcleod,2023 This is the incredible story of Silva Mcleod the first Tongan woman to become an airline pilot told with frankness and wit by Silva herself Silva was a Tongan girl from a small island with little hope of anything beyond getting married and having babies Her dreams of becoming an airline pilot seemed just that dreams until Ken

McLeod came into Silva's life. He was an Australian hired to build a hospital on her island of Vava'u. She started dating him despite frowns from her family. After a whirlwind romance, they got married in a traditional Tongan ceremony before moving to Australia. Silva faced challenges in Australia as a woman of color. Then came the biggest challenge of all: Ken was diagnosed with cancer. He said to Silva, "Do you still want to fly? Life is too short if you have a dream, go for it." There were many barriers to succeeding in such a male-dominated field, but Silva refused to give in. She became the first Tongan female airline pilot and worked for the Royal Flying Doctor Service amongst other small airlines, then Virgin International flying B777s around the world. With every new height Silva reached in her career, Ken's struggle with cancer continued. Despite the hardships, Silva is sure she would dare to do it all over again. Dare to love a white man and dare to pursue her dream to go from island girl to airline pilot. *Westchester* Robert Marchant, 2018-12-06. This history of Westchester County, New York, from the time of European settlement to the present, examines four centuries of development in an iconic region that became the archetypal American suburb. Drawing on a wide range of primary sources, the author uncovers a complex and often surprising narrative of slavery, anti-Semitism, immigration, Jim Crow, silent film stars, suffragettes, gangland violence, political riots, eccentric millionaires, industry, and aviation, man-made disasters, and assassinations. *A Dream of Pilots* Philip Handleman, 2022-12-21. An evocative and insightful look at the history of flight, written from the perspective of the history makers themselves. Dr. Richard P. Hallion, Verville Fellow, Smithsonian Institution. Presenting the lives of more than twenty aviation luminaries from throughout history, this middle reader is a captivating celebration of man's aspirations for the skies. From the story of the Wright brothers to that of Alan Shepard Jr., the author himself, an experienced pilot, introduces young readers to the history of modern flight and the inspiring figures who followed their dreams to navigate over vast oceans, set altitude and speed records, pioneer stunt techniques, and eventually rocket into the great abyss of space. Both children and adult readers learn about Roscoe Turner, air racer and showman who started by flying stunts in the movie *Hell's Angels* and went on to clock an average speed of 283.4 miles per hour, a new record of his time. Igor Sikorsky from Russia made his first helicopter at age twelve with a rubber band, but by the time he was an adult, he had created the Sikorsky XR-4, the army's first practical helicopter. *Half the World Are Squirrels and the Rest Are Nuts* Pierre Havre, 2008-11. **The Ninety-Nines Inc.**, 1996-06. *A Tale of Two Soldiers* Max Gendelman, 2013. *A Tale of Two Soldiers* is a memoir about the unlikely friendship of an American Jewish G.I. and trained sniper for the US Army, formed with a German Luftwaffe pilot during WWII. On Dec 18, 1944, twenty-one-year-old Max Gendelman was captured in the Battle of the Bulge, one of only a handful in his company to survive. Starving and dazed, his dog tags blown off, he was marched through German villages and eventually arrived at a farm the Reich had commandeered from a German family. The family's grandson, Karl Kirschner, a lieutenant in the Luftwaffe conscripted against his will, was hiding out in one of the barns. To Max's astonishment, one day Karl spoke to him through the fence; they discovered a shared passion for chess and began to secretly meet to play the game. As they got to

know each other they recognized what they needed to do they formed a pact a plan to escape together This was the start of a friendship that would endure for more than six decades
