The Allied Forces In Italy 1943 45:

The Allied Forces in Italy, 1943-45 Guido Rosignoli, 1989 Gennemgang af operationer udrustning og uniformer m v af den mest kosmopolitiske allierede styrke som oprettedes under 2 verdenskrig **The Campaign in Italy, 1943-45** Dharm Pal, 1960 **The Allied Forces in Italy, 1943-1945** Guido Rosignoli, 2009 The Italian Campaign, 1943-1945 Philip Jowett, 2023-06-30 The Second World War Italian campaign is often less well remembered than the struggle of the Germans against the western Allies in north west Europe and against the Soviet Union in the east But as this book demonstrates in over 300 photographs the Italian peninsula was a major theater of the war in itself More than a million Allied troops fought there more than half a million Germans and Italians there were over 600 00 casualties and well over 100 000 dead The soldiers of many nations took part Americans Australians Brazilians British Canadians French Germans Greeks Indians Italians Poles South Africans in a grueling and protracted sequence of battles across rocky mountainous terrain that made a mockery of Churchill s description of it as the soft underbelly of occupied Europe Every stage of the campaign is represented in the photographs from the Allied landings in Sicily in 1943 through the tenacious defense by the Germans of a series of fortified lines as the Allies struggled north to the final Allied advance across the Po in April 1945 and the German surrender As well as showing the soldiers on all sides and the towns and Italian landscapes in which the fighting took place the photographs record the appalling devastation the warfare left in its wake **Guide to Federal Records in the National Archives of the United States: Record groups 171-515** United States. National Archives and Records Administration, 1995 Fascism, the War, and Structures of Feeling in Italy, 1943-1945 Simonetta Falasca-Zamponi, 2023-05-23 On July 25 1943 news of Mussolini s resignation and subsequent arrest stunned Italians leaving them dumbfounded After two decades fascism had fallen without any advance warning As festive events marked the incredible outcome and reminders of the past were destroyed an uncontrollable joy seemed to pervade Italians But what did people actually celebrate How did they understand the bygone dictatorship which was soon to be reincarnated in the Italian Social Republic RSI Drawing on more than one hundred diaries written by ordinary citizens and some prominent figures as well and inspired by Raymond Williams s concept of structures of feeling the book examines Italians perspectives on fascism at a very critical moment in their history With the country mired in a devastating war further complicated by the September 8 1943 armistice with the Allies and subsequent German occupation followed by the eruption of an Italian against Italian conflict the switching of alliances and the declaration of war against Germany on October 13 1943 the fast pace of history seemed to deflect Italians attention from their immediate past Amidst the daily experience of bombings hunger displacement and death coming to terms with twenty years of dictatorship turned out to be an arduous enterprise Whether those who had lived under the fascist regime wished not to think of it and not to speak any more about it as philosopher Benedetto Croce maintained it is hard to ascertain In truth little is known of what Italians felt and thought about fascism after its precipitous

demise This book remedies the gap in historical scholarship by assessing how Italians confronted their present and negotiated their past during the two years from the fall of the regime to the definitive defeat of the RSI and the end of the world war in May 1945 By bringing to life the cultural imaginaries and practices of the past the book raises ostensibly intractable questions on the epochal impact of what often appears as inconsequential the typically unseen and seemingly banal power of everyday experiences Italy and the Second World War ,2018-06-05 Italy in the Second World War Alternative Perspectives stems from the necessity to write an important page of Second World War history by focusing on the Italian war experience which has been overshadowed in international research by the attention given to its senior Axis partner Drawing extensively on material from Italian and international archives a team of Italian and international historians led by Emanuele Sica and Richard Carrier offers a broad ranging volume on the war seen through the lens of Italian soldiers and civilians and populations occupied by the Italian army Contributors are Luca Baldissara Cindy Brown Federico Ciavattone Nicol Da Lio Paolo Fonzi Francesco Fusi Eric Gobetti Federico Goddi Andrea Martini Niall MacGalloway Amedeo Osti Guerrazzi Paolo Pezzino Matteo Pretelli Nicholas Virtue **Federal Records of World War II.: Military agencies** United States. National Archives and Records Service,1951 Allied Armies in Sicily and Italy, 1943-1945 Simon Forty,2020-03-30 The Italian campaign was one of the most debated of the Second World War splitting the American and British allies and causing great disharmony After the fall of Rome and the surrender of Italy the invasion of Normandy led to the Italian campaign becoming a sideshow as the D Day Dodgers fought their way through Italy to the Alps against a grinding defence and extreme weather In a sequence of 200 wartime photographs Simon Forty sums up the major events of the conflict from the landings on Sicily to the crossing of the Po Commanded first by Sir Harold Alexander and then Mark Clark the Allied armies US Fifth and British Eighth drew men not only from Britain the United States France and Poland but from all over the Commonwealth from Australia Canada India New Zealand and South Africa as well as such other countries as Brazil Czechoslovakia Greece and Palestine The devastation caused by the war in the cities towns and countryside is part of the story but perhaps the most powerful impression is made by the faces of the soldiers themselves as they look out from the Italian front of so long ago Federal Records of World War II.: Military agencies National Archives (U.S.),1951
