The Almost Impregnable Miss Parker:

The Almost Impregnable Miss Parker Ethel Dallin, 2004-03-01 This is not a tale of gloom it is one of tenacity and endurance told with courage and a wry sense of humor It is also a story about love In this moving and honest autobiography Ethel Dallin describes her childhood with her brother and their widowed frequently drunk mother in a grim tenement block in London But the impoverished home life was brightened by the lively and exciting background of London life between the wars Reaching adulthood brought Ethel new dilemmas in life mainly of love and the opposite sex in days when nice girls didn't During the Second World War Ethel was badly injured by bomb shrapnel and the trauma of that injury cast a long shadow over her life **The British National Bibliography** Arthur James Wells, 1993 **The Traitor's Wife** Kathleen

scholarship at Queen's University writer Stewart Parker's story is in many ways the story of his generation. Other aspects of his personal history though such as the amputation of his left leg at age 19 helped to create an extraordinarily perceptive observer and commentator. Steeped in American popular culture as a child and young adult he spent five years teaching in the United States before returning to Belfast in August 1969 the same week British troops responded to sectarian disturbances there. Parker had developed a sense of writing as a form of political action in the highly charged atmosphere of the US in the late 1960s which he applied in many and varied capacities throughout the worst years of the Troubles to express his own socialist and secular vision of Northern Irish potential. As a young aspiring poet and novelist he supported himself with free lance work that brought him into contact with institutions ranging from BBC Northern Ireland to the Irish Times for which he wrote personal columns and the music review feature High Pop and from the Queen's University Extramural Department to Long Kesh internment camp where his creative writing students included Gerry Adams. It is as a playwright however that Parker earned a permanent spot in the literary canon with drama that encapsulates his experience of Northern Ireland in the 1970s. Marilynn Richtarik's *Stewart Parker A Life* illuminates the genesis development and meaning of such classic plays as *Spokesong*, *Northern Star* and *Pentecost* works that continue to shed light on the North's past present and future in the context of Parker's life and times. Meticulously researched and engagingly written this critical biography rewards general readers and specialists alike.
