Fred Allen's Radio Comedy Alan Havig, 1990 A notable example of radio at its best Back Stage SHOOT In 1954 James Thurber wrote You can count on the thumb of one hand the American who is at once a comedian a humorist a wit and a satirist and his name is Fred Allen Several decades after his death and more than forty years since his radio program left the air Fred Allen's reputation as a respected humorist remains intact In this book Alan Havig explores the roots of his comedy the themes it exploited the problems and challenges that faced the radio comedy writer and Allen's unique success with the one dimensional medium of radio Tracing a career that lasted from 1912 into the 1950s and encompassed vaudeville Broadway revues movies radio and television Havig describes the verbal slapstick style that was Fred Allen's hallmark and legacy to American comedy More than a biography of Fred Allen this is a study of the development of the radio industry a discussion of American humor and the story of how one relates to the other Using a wide variety of published and unpublished sources including the Allen Papers Havig analyzes Allen's radio comedy of the 1930s and 40s within the context of the peculiar advantages and limitations of radio as a medium for comedy He argues that Allen did not merely transfer vaudeville routines to a non visual medium as did Eddie Cantor Ed Wynn and others Allen developed a comedic style that depended on word play sound effects and on his audience's ability and readiness to imagine a visual world in which his eccentric characters operated Havig illustrates his story with numerous examples of Allen's humor with fascinating anecdotes and excerpts from radio broadcasts In accounting for the comedian's success he deals with vaudeville comedy writing sponsor's demands and censorship of material and the organizational world of radio broadcasting companies Describing radio as an instrument of wit Fred Allen wrote on radio you could do subtle writing because you had access to the imagination that was why I liked radio

we had some fun Readers will also have some fun remembering or discovering for the first time Allen s Alley and the magic of radio comedy in its prime Fred was one of the greatest of vaudeville and radio comedians Anyone even casually concerned with the state of American humor will be well advised to give his work as Mr Havig presents it careful study Steve Allen Alan Havig has done an intelligent careful and exhaustive research job This is a well written solid performance biography J Fred MacDonald Curator of the Museum of Broadcast Communication Chicago **Bob Hope and the Popular Oracle**
